Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk a1 855-800-7747 or qualityrated@decal.ga.gov for more information. Free techincal assistance is available!

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at http://gbi.georgia.gov to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.'

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Food Service

591-1-1-.15 Food Service & Nutrition **Not Met**

Finding
591-1-1-.15(2) requires that a signed written feeding plan for children less than one (1) year of age shall be obtained from Parent(s) and that instructions from the Parent(s) shall be updated regularly as new foods are added or other dietary changes are made. The feeding plan shall be posted in the child's assigned room and must include the child's feeding schedule, the amount of formula or breast milk to be given, instructions for the introduction of solid foods, the amount of food to be given and notation of any type(s) of commercially premixed formula which may not be used in an emergency because of food allergies. It was determined based on observation and a review of records that the center failed to ensure that a signed feeding plan for children less than one (1) year of age was obtained from parent(s) and that instructions from parents were updated regularly. On September 29, 2022 during a licensing study, center staff confirmed that the children in the one (1) year old class did not have individual feeding plans on this date.

POI (Plan of Improvement)
The Center Director will develop and implement a plan to obtain and post the completed feeding plan as part of the enrollment process and to have parents update the plans on a regular basis that will include center staff involved with enrollment and those working in the infant classrooms.

Correction Deadline: 9/29/2022

591-1-1-.18 Kitchen Operations **Not Met**

Finding
591-1-1-.18(7) requires each Center to have a designated space for storage of food and kitchen items and that the area be kept clean and free of accumulation of dust, dirt, food particles and grease deposits. It was determined based on observation that the center failed to ensure designated space for storage of food and kitchen items and that the area be kept clean and free of accumulation of dust, dirt, food particles and grease deposits as required. On September 29, 2022 it was observed that the kitchen contained evidence of spider webs, a dead bug in the cabinet and a live small roach was observed on the counter on this date.

POI (Plan of Improvement)
The Center will designate an area for the storage of these items, will thoroughly clean the space, if needed, develop and implement a plan to train Staff, as needed, and inspect the storage area daily.

Correction Deadline: 10/28/2022

Health and Hygiene

Finding
591-1-1-.22 requires the Center to permit the custodial Parent(s) of the child access to all child care areas of the Center at any time the child is in attendance. The custodial Parent(s) shall make his or her presence known to Center Staff prior to removing the child from the Center. It was determined based on observation and staff interviews that the center failed to permit access to the custodial parent of enrolled children to all areas of the center at any time the child is in attendance as required. On September 29, 2022 during a licensing study it was observed that parents were required to sign children in at the front entrance and were not allowed to enter the building. Staff interviews confirmed that parents are not permitted in the building since the COVID 19 pandemic.

POI (Plan of Improvement)
The Center will permit unlimited parental access.

Correction Deadline: 9/29/2022

Safety

591-1-1-.11 Discipline(CR) **Not Met**

Finding

591-1-1-.11(2) requires that Personnel not: physically or sexually abuse a child or engage or permit others to engage in sexually overt conduct in the presence of any child enrolled in the Center; inflict corporal/physical punishment upon a child; shake, jerk, pinch or handle a child roughly; verbally abuse or humiliate a child which includes, but is not limited to, the use of threats, profanity or belittling remarks about a child or his family; isolate a child in a dark room, closet or unsupervised area; use mechanical or physical restraints or devices to discipline children; use medication to discipline or control children's behavior without written medical authorization issued by a licensed professional and given with the parent's written consent; restrict unreasonably a child from going to the bathroom; punish toileting accidents; force-feed a child or withhold feeding a child regularly scheduled meals and/or snacks; force or withhold naps; allow children to discipline or humiliate other children; or confine a child for disciplinary purposes to a swing, highchair, infant carrier, walker or jump seat. It was determined based on observation that the center failed to ensure that enrolled children are properly disciplined. During a licensing study, a three year old child was isolated from other enrolled children for five minutes or more. Center staff confirmed that the child was isolated for five minutes or more.

POI (Plan of Improvement)

The Center will take immediate action to ensure the action/conduct has ceased; train/review appropriate child guidance techniques with center staff; and have a system in place to monitor and identify inappropriate actions.

Correction Deadline: 9/29/2022

591-1-1-.36 Transportation(CR) **Not Met**

Finding

591-1-1-.36(4)(a) requires an annual safety check for each vehicle. The annual safety check, completed by a trained individual, should include a check of the: tires, headlights, horn, taillights, turn signals, brake lights, brakes, suspension, exhaust system, steering, windows, windshields and windshield wipers. A copy of the annual safety check will be kept in the Center or on the vehicle and should include evidence of any repairs and/or replacements that were identified as needed on the inspection report. It was determined base and on a review of records and observation of the vehicle an annual safety check was observed to be completed in February 2022 for VAN #RDB4754. The annual vehicle inspection report did not contain a signature. Upon verification, the mechanic stated that the inspection was completed two weeks ago from this date. Upon obsrving the vehicle, the vehicle had low air pressure in the rear tire and the windshield wipers were observed to be dry rotted.

POI (Plan of Improvement)

The Center will obtain the annual vehicle inspection.

Correction Deadline: 10/4/2022

Finding

591-1-1-.36(4)(b) requires that the interior of a transportation vehicle be clean, in safe repair and free of hazardous items, objects and/or other non-essential items which could cause injury. It was determined based on observation that the interior of VAN #RSL5794 was not cleaned daily and consisted of torn seats with the foam lining exposed.
September 29, 2022, it was determined that the interior of VAN #RSL5794 was not cleaned daily and consisted of torn seats with the foam lining exposed.

POI (Plan of Improvement)

The center will maintain that all transportation vehicles are clean, in safe repair, and free from hazards.

Correction Deadline: 10/28/2022

Recited on 9/29/2022

Finding
591-1-1-.36(4)(c) requires that each vehicle be equipped with a fire extinguisher maintained in working order and kept inaccessible to children. It was determined based on observation that VAN #RSL5794 was not equipped with a fire extinguisher as required.
September 29, 2022, It was determined based on observation that VAN #RSL5794, VAN #RRM6961, VAN, RDB4754, was not equipped with a fire extinguisher as required. VAN RSL5886
contained a fire extinguisher that was not filled and did not have a inspection report attached as required.

POI (Plan of Improvement)
The center will ensure that each vehicle has a working fire extinguisher and that the fire extinguisher is kept out of reach of children.

Correction Deadline: 10/28/2022

Recited on 9/29/2022

Finding
591-1-1-.36(7)(c)2. requires that the driver or other designated person shall immediately document in writing, with a check or other mark/symbol to account for each child listed on the passenger transportation checklist each time a child enters and exits the vehicle. The driver or other designated staff person shall document in writing with a different mark/symbol to account for each child listed on the passenger transportation checklist who was not present on the vehicle for any reason. An explanation shall be documented in writing whenever a child is transported to a field trip site but is not present on the return trip to the Center. It was determined based on observation that the center failed to ensure designated person shall immediately document in writing, with a check or other mark/symbol to account for each child listed on the passenger transportation checklist each time a child enters and exits the vehicle as required. During a licensing study on September 29, 2022, based on a review of records during the week of September 5, 2022, the center did not document load/unload for the transportation provided from Kilpatrick Elementary school to the center.

POI (Plan of Improvement)
The driver/other designated person will immediately document in writing with a check/mark/symbol each time a child gets on and off the vehicle.

Correction Deadline: 9/30/2022

Finding
591-1-1-.36(7)(d)1. requires that the first check be conducted immediately upon unloading the last child at any location including, but not limited to, a field trip destination, arrival at the Center, and the last stop during transportation to home or school. The responsible person on the vehicle shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle’s interior; sign the passenger transportation checklist (s), indicating all of the children have exited the vehicle; and give the passenger transportation checklist(s) to the second designated Staff person. It was determined based on a review of records that the center failed to conduct immediately upon unloading the last child at any location including, but not limited to, a field trip destination, arrival at the Center, and the last stop during transportation to home or school as required. On September 29, 2022 a review of records revealed tat the center failed to document first and second check on the transportation log for the week of September 5, 2022. The Monday of that week for the transportation provided to MLK Elementary School to the center, there was no documentation of first and second checks being completed.

POI (Plan of Improvement)
The Center will train Staff who are or may be involved in transporting children in how to thoroughly inspect a vehicle and properly complete transportation documentation. The Center will review and monitor.

Correction Deadline: 9/30/2022

Sleeping & Resting Equipment

591-1-1-.30 Safe Sleeping and Resting Requirements(CR) **Not Met**

Finding
591-1-1-.30(2)(c) requires that infants shall not sleep in equipment other than safety-approved cribs, such as, but not limited to, a car safety seat, bouncy seat, highchair, or swing. Infants who arrive at the Center asleep or fall asleep in such equipment, on the floor or elsewhere, shall be transferred to a safety-approved crib. It was determined based on obersvation and staff interview that the center failed to ensure that infants not sleep in equipment other than safety-approved cribs as required. During a licensing study it was observed that an infant was asleep in a bouncie and not moved to an approved crib immediately. Center staff confirmed that the infant was asleep in the crib for five minutes or more.

POI (Plan of Improvement)
The Center will only place infants in safe cribs to sleep and will transfer them to a safe crib when the infants are asleep in other equipment.

Comment
Criminal record checks were observed to be complete on this date.

591-1-1-.14 First Aid & CPR **Not Met**

Finding
591-1-1-.14(3) requires the Center to have a first aid kit in each building of the Center and in any vehicle used by the Center for transportation of children, that contains scissors, tweezers, gauze pads, adhesive tape, thermometer, band-aids, assorted sizes, antibacterial ointment, insect-sting preparation, an antiseptic cleansing solution, triangular bandages, rubber gloves, protective eye wear, a protective face mask, and a cold pack. The first aid kit, together with a first aid instruction manual which must be kept with the kit at all times, shall be stored so that it is not accessible to children but is easily accessible to Staff. It was determined based on observation and a review of records that the center failed to ensure that a first aid kit in each building of the Center and in any vehicle used by the Center for transportation of children, that contains scissors, tweezers, gauze pads, adhesive tape, thermometer, band-aids, assorted sizes, antibacterial ointment, insect-sting preparation, an antiseptic cleansing solution, triangular bandages, rubber gloves, protective eye wear, a protective face mask, and a cold pack as required. During a licensing study it was observed that three of four vehicles did not contain a first aid kid on the vehicle with the required supplies.

POI (Plan of Improvement)
Center Staff will provide any missing first aid kits, add any missing items to each first aid kit and will develop and use a plan for checking the kits and replacing missing items in each kit in the future. First aid kits and instruction manuals will be stored so that they kits are not accessible to children but are easily accessible to Center Staff.

Correction Deadline: 10/9/2022

591-1-1-.33 Staff Training **Not Met**

Finding
91-1-1-.33(5) requires that every calendar year after the first year of employment, all supervisory and caregiver Personnel, except independent contractors, Students-in-Training and volunteers shall attend ten (10) clock hours of diverse training which is task-focused in on-going health, safety and early childhood or child development related topics and which is offered by an accredited college, university or vocational program or other Department-approved source. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training shall be maintained, as required by these rules. It was determined based on a review of records that two staff members did not complete 10 hours of annual ongoing training for 2020 as required.
September 29, 2022, based on a review of records during a licensing study it was determined that staff # 2 and staff # 3 did not complete 10 hours of annual ongoing training for 2021 as required.

POI (Plan of Improvement)
The Center will plan and schedule the required 10 hours of annual training each year and follow up to ensure the training is completed.
