Plan of Improvement: Developed This Date 01/10/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decal.ga.gov for more information. Free technical assistance is available!

Technical Assistance

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. Extensive damage was done to the playground following the storm that occurred in the area on Tuesday, January 9, 2024. Trees and limbs are down in the outdoor play area and not usable at this time. The owner is contacting city officials for clean up since the trees that fell are on city property. Owner will be expected to restore the outdoor play area as soon as possible so that children can have the required time outdoors with no hazards accessible to them.

Finding

591-1-1-21(3) requires that the Center conduct drills for fire, tornado and other emergency situations. The fire drills will be conducted monthly and tornado and other emergency situation drills will be conducted every six months. The Center shall maintain documentation of the dates and times of these drills for two years. It was determined based on Consultant's observation that fire drills were not documented for the months of October, 2023, November, 2023, and December, 2023.

POI (Plan of Improvement)

The Center will hold the drills as required and keep the documentation of the drills on file for two years.

Comment

A current/completed inspection was observed for all vehicles used in transporting children this date.

Technical Assistance

591-1-1-.36(7)(d)1. requires that the first check be conducted immediately upon unloading the last child at any location including, but not limited to, a field trip destination, arrival at the Center, and the last stop during transportation to home or school. The responsible person on the vehicle shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; sign the passenger transportation checklist (s), indicating all of the children have exited the vehicle; and give the passenger transportation checklist(s) to the second designated Staff person. Please ensure that an entire signature is entered on the form when staff inspect the vehicle after all children have exited the vehicle.

Correction Deadline: 1/11/2024

Finding

591-1-1-.36(7)(d)2. requires that the second designated Staff person conduct a check of the vehicle immediately upon the completion of the first check of the vehicle. The responsible person shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; and sign the passenger transportation checklist(s), indicating all of the children have exited the vehicle. There shall be continuous watchful oversight of the vehicle between the first check and second check. It was determined based on a review of transportation logs that a second check of the vehicle was not made when two children were transported from Butler Elementary School to the center during the weeks of December 4 - 8, 2023, and December 11-15, 2023.

Additionally, please ensure that an entire signature is entered on the form when staff inspect the vehicle after all children have exited the vehicle.

POI (Plan of Improvement)

The Center will train Staff who are or may be involved in transporting children in how to thoroughly inspect a vehicle and properly complete transportation documentation. The Center will review and monitor.

591-1-1-.14 First Aid & CPR**Not Met****Comment**

Evidence observed of 50% of center staff certified in First Aid and CPR.

Finding

591-1-1-.14(3) requires the Center to have a first aid kit in each building of the Center and in any vehicle used by the Center for transportation of children, that contains scissors, tweezers, gauze pads, adhesive tape, thermometer, band-aids, assorted sizes, antibacterial ointment, insect-sting preparation, an antiseptic cleansing solution, triangular bandages, rubber gloves, protective eye wear, a protective face mask, and a cold pack. The first aid kit, together with a first aid instruction manual which must be kept with the kit at all times, shall be stored so that it is not accessible to children but is easily accessible to Staff. It was determined based on Consultant's observation that the first aid kit on the vehicle did not contain a triangular bandage, thermometer, safety goggles, and a protective face mask.

POI (Plan of Improvement)

Center Staff will provide any missing first aid kits, add any missing items to each first aid kit and will develop and use a plan for checking the kits and replacing missing items in each kit in the future. First aid kits and instruction manuals will be stored so that they kits are not accessible to children but are easily accessible to Center Staff.
