If there are new rule violation(s), your consultant shall inform you of the violation(s) as soon as possible. However, as stated above, any violations of identical rule(s) will require the department to treat any and all additional rule violations identified in the investigation as repeated rule violations.

All rule violations found in relation to a complaint or incident investigation will be associated with the date the investigation was closed.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

Staff Records

591-1-1-.31 Staff(CR)

Not Met

Finding Associated with Complaint

591-1-1-.31(9)(b) requires the Center to ensure that no Student-in-Training shall be solely responsible for children other than their own and must be under continuous direct supervision of a Director or Employee with a valid and current satisfactory Comprehensive Records Check Determination while in the presence of children in care other than their own. It was determined based on a investigation that within the last two weeks, a seventeen-year-old staff member was solely responsible for supervising enrolled children. Furthermore, the student in training was responsible for supervising the children during before and after care hours and while relieving staff members for lunch breaks.

POI (Plan of Improvement)

The Center will ensure that all Students-In-Training are not solely responsible for children other than their own, and are under continuous direct supervision of a Director or Employee with a valid and current satisfactory Comprehensive Records Check Determination while in the presence of children in care other than their own.

Correction Deadline: 4/4/2023

Staffing and Supervision

591-1-1-.32 Staff:Child Ratios and Group Size(CR)

Not Met

Finding Associated with Complaint

591-1-1-.32(1) requires the Center to maintain the required Staff:child ratios as follows: under 1 year or under 18 months if not walking = 1:6; 1 year and walking = 1:8; 2 years = 1:10; 3 years = 1:15; 4 years = 1:18; 5 years = 1:20; and 6 years and older = 1:25. A Center must establish groupings of children for care with maximum group sizes as follows: under 1 year = 12; under 18 months/not walking = 12; 1 year and walking = 16; 2 years = 20; 3 years = 30; 4 years = 36; 5 years = 40; and 6 years and older = 50. It was determined based on a investigation that within the last two weeks, on undetermined dates, center staff failed to maintain appropriate staff: child ratios in the preschool classroom. Furthermore, the three- and four-year-old classroom had 18 children being supervised by one staff member, a ratio of 1:15 was required.

POI (Plan of Improvement)

The Center will hire additional Staff or reschedule current Staff to meet required Staff:child ratios and will organize children into groups that meet requirements.

Correction Deadline: 4/5/2023

Finding Associated with Complaint

591-1-1-.32(4)(a) requires that during the early morning times of arrival and late afternoon times of departure, infants and children younger than three (3) years may be grouped with older children so long as Staff: child ratios and group size are met based on the age of the youngest child in the group. It was determined based on a investigation that within the last two weeks, on an undetermined date in the late afternoon hours, infants and children younger than three were grouped with older children without center staff maintaining the required staff:child ratio based on the youngest child in the group. One staff member was solely responsible for supervising twenty children ranging in age from six months to four years.

POI (Plan of Improvement)

The Center will maintain Staff:child ratios based on the youngest child in the group during early morning and late afternoon times when children younger than three years of age may be grouped with older children.

Correction Deadline: 4/4/2023
