For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>.

For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: <https://families.decal.ga.gov>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Staff Records**591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR)****Not Met****Finding**

591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on a review of records that the Center did not ensure that Staff Member #9 had a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center after their Comprehensive Records Check expired on June 10, 2026.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The center will ensure the CRC rules are maintained.

Correction Deadline: 7/8/2026**Finding**

591-1-1-.09(1)(l)3. requires the Center to immediately require a new Comprehensive Records Check Determination for a Director, Employee or Provisional Employee at least once every five years. It was determined based on a review of records that Staff Member #9 had a Comprehensive Records Check Determination that expired on June 10, 2026 and the Comprehensive Records Check was not renewed as required. Further, the Staff Member was observed in the office in an Administrative role and was not observed to be present with children during the visit.

POI (Plan of Improvement)

The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Center will ensure CRC rules are maintained. The Consultant confirmed that the Director did not receive an email that notified them that Staff Member #9 had a Comprehensive Records Check that was due to expire.

591-1-1-.14(1)(a) requires all Staff who provide direct care to children must obtain certification in a biennial training program in pediatric cardiopulmonary resuscitation (CPR) and a triennial training program in pediatric first aid within the first 45 days of employment. Current and valid evidence of the successful completion of such training shall be maintained on the Center's premises. The hours obtained completing this certification will not count towards the required annual training hours. It was determined based on a review of records that Staff Member #3 that was hired on May 10, 2026, did not obtain pediatric first aid and CPR within 45 days of employment as required.

POI (Plan of Improvement)

All caregiver Staff will complete the required training.
