Plan of Improvement: Developed This Date 09/09/2026

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>.

For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: <https://families.dec.al.ga.gov>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

591-1-1-.25 Physical Plant - Safe Environment(CR)

Not Met

Comment

Please be mindful to keep items that pose a hazard inaccessible to children.

Comment

Please secure cleaning tools (i.e., broom, plunger) out of reach of children.

Finding

591-1-1-.25(13) requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. It was determined based on observation in Classroom L1, on the right side of the classroom where the sink is located, the cabinet above the sink was unlocked, with Aquaphor Ointment, Sunscreen, and Destin Cream accessible to the children. It was further observed in Classroom L1, on the left side of the sink, 1 bottle of Lysol and 2 bottles of ZEP Professional Sprayer were accessible to the children. It was further observed in Classroom 2R, on the changing table, there were adult scissors and push pins accessible to the children.

POI (Plan of Improvement)

The Center will identify all hazardous items and keep them in a locked area inaccessible to children. The Center will inform all Staff about hazardous items and the safe storage of those items.

Correction Deadline: 9/9/2026

Technical Assistance

591-1-1-.25(17) - The Consultant discussed with the Provider about the English Ivy being removed from the Large Playground growing against the fence.

Correction Deadline: 9/9/2026

Technical Assistance

Correction Deadline: 9/9/2026

591-1-1-.26 Playgrounds(CR)**Not Met****Finding**

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that the Playground Middle and RT Side both gate fences had a 4-inch gap. It was further observed on the Playground Large the fence bolts 2 thread gate to the Middle Playground.

POI (Plan of Improvement)

The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use. The director will contact a company to work on repairing the fence.

Correction Deadline: 9/25/2026

Recited on 9/9/2026

Technical Assistance

591-1-1-.26(6) - The Consultant discussed with the Provider to ensure the playground equipment is being pressure washed and repainted on all the playgrounds.

Correction Deadline: 9/19/2026

Finding

591-1-1-.26(8) requires climbing and swinging equipment to have a resilient surface beneath the equipment and the fall zone from such equipment must be adequately maintained by the Center to assure continuing resiliency. It was determined based on observation that the Playground Large equipment, including the designated fall zones, had approximately 1 inch of resilient surfacing.

POI (Plan of Improvement)

The Center will add additional resilient surfacing to the fall zones where needed and check daily, adding resilient surfacing as needed to maintain adequate resiliency.

Correction Deadline: 9/9/2026

Finding

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation that on the Playground Large, coming from Classroom 2R backdoor, the red wooden porch had the third slat from the top step detached and was a hazard. It was further observed on the Playground Middle that the red wooden porch had the fourth and fifth slats from the railing loose and detached, causing entrapment.

POI (Plan of Improvement)

The Center will remove any litter and fix or remove hazards from the playground and will routinely monitor the playground and remove litter and hazards.

Correction Deadline: 9/9/2026

Finding

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation that the Playground Large had PVC pipe that contains the mulch that had separated into 4 pieces, causing an entrapment hazard.

POI (Plan of Improvement)

The previous citation was observed to be corrected on this date. The Consultant did not observe on the Large Playground large concrete at the gutter with a 7-inch gap between the concrete and the ground.

Correction Deadline: 9/18/2026

Recited on 9/9/2026

Health and Hygiene**591-1-1-.10 Diapering Areas & Practices(CR)****Not Met****Comment**

Staff stated proper knowledge of diapering procedures.

Finding

591-1-1-.10(1) requires Centers first licensed after March 1, 1991, and Centers that are renovated after March 1, 1991, to provide ventilation in the diapering areas with functioning exhaust fans and a duct system or by the required amount of window space provided by operable windows when open. It was determined based on observation that in Classroom 1R, the ventilation is not working properly. It was further observed in Classroom 2R that the classroom did not have ventilation above the changing table.

POI (Plan of Improvement)

The responsible person(s) at the center will ensure that the exhaust fans and duct systems are functioning or that the required amount of operable window space is provided in each diapering area.

Correction Deadline: 9/9/2026

Technical Assistance

591-1-1-.10(4) - The Consultant discussed with the Provider to ensure the changing pad in Classroom 1R is replaced due to the left upper corner starting to tear.

Correction Deadline: 9/9/2026

591-1-1-.17 Hygiene(CR)**Met****Comment**

Please ensure lids remain on trash containing organic waste.

Comment

Proper hand washing observed throughout the center on this date.

591-1-1-.20 Medications(CR)**N/A****Comment**

The Provider currently does not dispense/administer medication.

Safety**591-1-1-.11 Discipline(CR)****Met****Comment**

Age-appropriate discussion and/or redirection observed.

Comment

Staff were observed to maintain a positive learning environment on this date.

591-1-1-.36 Transportation(CR)**Met****Comment**

Complete documentation of transportation observed on this date.

Comment

The Consultant discussed with the Provider the need to ensure that the First Aid Kit includes goggles, a thermometer, and face masks.

Comment

The vehicle had an approved fire extinguisher.

Sleeping & Resting Equipment

591-1-1-.30 Safe Sleeping and Resting Requirements(CR)

Not Met

Comment

Please ensure that cribs/cots are labeled for individual use.

Comment

The correct number of mats, sheets and blankets were observed on this date. Cleaning and disinfecting of mats was discussed with the director on this date.

Finding

591-1-1-.30(2) requires the Center to provide a safe sleep environment in accordance with American Academy of Pediatrics (AAP), Consumer Product Safety Commission (CPSC) and American Society for Testing and Materials (ASTM) recommendations as listed in these rules for all infants. Center Staff shall place an infant to sleep on the infant's back in a crib unless the Center has been provided a physician's written statement authorizing another sleep position for that particular infant that includes how the infant shall be placed to sleep and a time frame that the instructions are to be followed. When an infant can easily turn over from back to front and back again, Staff shall continue to put the infant to sleep initially on the infant's back but allow the infant to roll over into his or her preferred position and not re-position the infant. Sleepers, sleep sacks and wearable blankets that fit according to the commercial manufacturer's guidelines and will not slide up around the infant's face may be used when necessary for the comfort of the sleeping infant. Swaddling shall not be used unless the Center has been provided a physician's written statement authorizing its use for a particular infant that includes instructions and a time frame for swaddling the infant. Center Staff shall not place objects or allow objects to be placed in or on the crib with an infant such as but not limited to toys, pillows, quilts, comforters, bumper pads, sheepskins, stuffed toys, or other soft items and shall not attach objects or allow objects to be attached to a crib with a sleeping infant, such as, but not limited to, crib gyms, toys, mirrors and mobiles. It was determined, based on observation, that in Classroom 1R, the staff member put an infant in the crib on their side to go to sleep.

POI (Plan of Improvement)

The Center will take all steps necessary to provide a safe sleep environment for infants as listed in these rules; will train Staff to follow these rules; and will monitor for compliance.

Finding

591-1-1-.09(1)(a) requires that a Center ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site. It was determined based on a review of staff records, staff member # 13 did not have both a Records Check Application and fingerprinting from an authorized fingerprinting site.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site as required. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Center will ensure the CRC rules are maintained.

Correction Deadline: 9/9/2026

Finding

591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on a review of staff records, that staff member #13 did not have a Comprehensive Records Check determination on file.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center.
