Comments:

The child care program is in compliance with the approved exemption category.

Please refer to the Exemption page of the website, <https://www.decal.ga.gov/CCS/Exemptions.aspx> for information regarding Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the user id for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific standard number(s) that you are refuting, add the reason for disagreement regarding the standard citation, and upload supporting documentation.
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

The following information is associated with a EX-CAPS-Monitoring FollowUp:**Staff Records****EX-HS-.G First Aid & CPR(CS)****Not Met****Finding**

EX-HS.G(2)(a-d), requires (a) when any child is present on the premises, at least fifty percent (50%) of the caregiver staff present shall be trained in pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid. (b) There must always be one staff person present in each classroom where children are present that has current and valid pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid training. (c) During any field trip or transportation of children, there must always be a staff member present who has current evidence of the successful completion of pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid. (d) the Program Director must have current evidence of successful completion of pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid at all times. It was determined based on a review of records that two out of seven staff members did not have evidence of pediatric CPR and first aid training.

POI (Plan of Improvement)

The Program will ensure that at least (50%) of staff are trained in pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid. The Program will ensure that during any field trip or transportation of children, there must always be a staff member who is present with current evidence of pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid. The Program will obtain and maintain all certificates in the staff members' file. A follow-up will be completed during the next monitoring visit for re-evaluation

EX-HS-.P(2)(a-l) - The previous citation was corrected and completed on this date. It was observed that seven out of seven staff members completed an initial orientation training.

Finding

EX-HS-P(3)(a-k) requires each staff member with direct care responsibilities shall complete health and safety training and Health and Safety Orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours: (a) prevention and control of infectious diseases; (b) prevention of sudden infant death syndrome and use of safe sleeping practices; (c) administration of medication, consistent with standards for parental consent; (d) prevention of and response to emergencies due to food and allergic reactions; (e) building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; (f) prevention of shaken baby syndrome, abusive head trauma and child maltreatment; (g) emergency preparedness and response planning for emergencies resulting from a natural disaster, or a human-caused event (such as violence at a child care facility); (h) handling and storage of hazardous materials and the appropriate disposal of bio contaminants; (i) precautions in transporting children (if applicable); (j) recognition and reporting of child abuse and neglect; and (k) child development to include all major domains: cognitive; social and emotional; physical development and motor skills; communication, language, and literacy; and approaches to play and learning. It was determined based on review of records that six out of seven staff members were missing the completion of the Health and Safety orientation training.

POI (Plan of Improvement)

The Program will develop and implement a plan to schedule and track Health and Safety orientation training for all employees based on their hire dates. A follow-up will be completed during the next monitoring visit for re-evaluation.

Finding

EX-HS-P(4)(a-b) requires staff complete annual training (a) Every calendar year after the first year of employment, the Director, Provisional Employees and Employees shall attend ten (10) clock hours of diverse training which is offered by an accredited college, university or vocational program or other Department-approved source.

(b) The annual ten (10) clock hours of training shall include the following:

1. At least two (2) hours in evidence based, developmentally appropriate language and literacy practices;
2. At least two (2) hours in on-going child development and health and safety related topics, which could include, but not be limited to:

(i) Child development (e.g., developmental domains (cognitive; social and emotional; physical development and motor skills; communication, language, and literacy; approaches to play and learning), discipline and guidance techniques, children with special needs);

(ii) Health (e.g., nutrition and the support of breast feeding, physical activity, prevention and control of illnesses and infectious diseases, immunizations, prevention of and response to emergencies due to food and allergic reactions, cleanliness, sanitation, and the appropriate disposal of bio contaminants);

(iii) Safety (e.g., prevention of Sudden Unexpected Infant Death (SUID) which includes Sudden Infant Death Syndrome (SIDS) and the use of safe sleeping practices, medication administration, injury control and prevention, transportation, handling and storage of hazardous materials, identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic, and emergency preparedness planning and response);

(iv) Child abuse and neglect (e.g., identification and reporting, meeting the needs of abused and/or neglected children, prevention of shaken baby syndrome, abusive head trauma and child maltreatment).

3. No more than two (2) of the required ten (10) hours in business-related topics (e.g., parental communication, recordkeeping, management, business planning). It was determined based on review of records that four out of four staff members did not have evidence of 10 additional hours of child-related task-focused training, including the two hours of language literacy training.

POI (Plan of Improvement)

The Program will plan and schedule the required 10 hours of annual training each year and follow up to ensure the training is completed. A follow-up will be completed during the next monitoring visit for re-evaluation.
