Compliance Zone Designation		
08/13/2026	Licensing Study	Good Standing
03/06/2026	Monitoring Visit	Good Standing
07/22/2025	Licensing Study	Support

Compliance Zone Designation - A summary measure of a program's 12 month monitoring history, as it pertains to child care health and safety rules. The three compliance zones are good standing, support, and deficient.

Good Standing - Program is demonstrating an acceptable level of performance in meeting the rules.
Support - Program performance is demonstrating a need for improvement in meeting rules.
Deficient - Program is not demonstrating an acceptable level of performance in meeting the rules.

Data retrieval failed for the subreport, 'RatioCapacity', located at: Koala.Reports.Visits.RDLC.RatioCapacity.rdlc.

Comments

CCLC Indicator Manual

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at https://www.decal.ga.gov/CCS/RulesAndRegulations.aspx.

Compliance at a Glance

For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: https://families.decal.ga.gov.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at http://gbi.georgia.gov to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decal.ga.gov for more information. Free technical assistance is available!

Comment
Center does not provide swimming activities.

Children's Records

591-1-1-.08 Children's Records **Met**

Comment
Parent agreements observed obtained/completed.

Comment
Records were observed to be complete and well organized.

Facility

591-1-1-.06 Bathrooms **Technical Assistance**

Comment
Bathrooms observed to be clean and well maintained.

Technical Assistance
591-1-1-.06(4) - Discussed with the Director to ensure that the exhaust vents were free of any dust or debris in the bathrooms.

Correction Deadline: 9/12/2026

591-1-1-.19 License Capacity(CR) **Met**

Comment
Licensed capacity observed to be routinely met by center on this date.

591-1-1-.25 Physical Plant - Safe Environment(CR) **Not Met**

Comment
Please secure cleaning tools (i.e., brooms, dust pans) out of reach of children.

Comment
The Center appeared clean and well maintained on this date.

Finding
591-1-1-.25(13) requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. It was determined based on observation that in Room A (Front) there was a tall, black, unlocked storage cabinet that had cleaning solutions in a clear spray bottle and a Lysol can. It was further determined that there was a staff member's purse in an unlocked filing cabinet, third drawer, and adult scissors on a child sized table accessible to children.

POI (Plan of Improvement)
The Center will identify all hazardous items and keep them in a locked area inaccessible to children. The Center will inform all Staff about hazardous items and the safe storage of those items.

Correction Deadline: 8/13/2026

Recited on 8/13/2026

Correction Deadline: 3/6/2026

Corrected on 8/13/2026
.25(3) - The previous citation was observed to be corrected on this date. Consultant observed no live roaches or bugs during the time of the visit.

591-1-1-.26 Playgrounds(CR) **Not Met**

Finding
591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that B-Preschool Playground had a 4 inch hole at the bottom of the metal fence, towards the left side of the playground that could potentially be an entrapment hazard. It was further determined that the metal fence had sharp edges at the bottom of the fence towards the left side of the playground where the fence started to separate fro the post.

POI (Plan of Improvement)
The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use.

Correction Deadline: 8/13/2026

Finding
591-1-1-.26(8) requires climbing and swinging equipment to have a resilient surface beneath the equipment and the fall zone from such equipment must be adequately maintained by the Center to assure continuing resiliency. It was determined based on observation that on B-Preschool Playground there was 1 inch of mulch measured under the red and blue slide that was 5 feet 10 inches tall when 6 inches of mulch was required. It was further determined 1 inch of mulch was measured under the play structure with a blue slide and a green climbing structure, that measured 4 feet 6 inches tall when 4 inches of mulch was required.

POI (Plan of Improvement)
The Center will add additional resilient surfacing to the fall zones where needed and check daily, adding resilient surfacing as needed to maintain adequate resiliency.

Correction Deadline: 8/31/2026

Finding
591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation that B-Preschool Playground had an unlocked storage shed that had broken equipment, trash bags and debris accessible to children.

POI (Plan of Improvement)
The Center will remove any litter and fix or remove hazards from the playground and will routinely monitor the playground and remove litter and hazards.

Correction Deadline: 8/13/2026

591-1-1-.36 Transportation(CR) **Met**

Comment
A current/completed inspection was observed for all vehicles used in transporting children this date.

Comment
Complete documentation of transportation observed on this date.

Comment
The vehicle had an approved fire extinguisher and first aid kit on this date.

Correction Deadline: 3/7/2026

Corrected on 8/13/2026
.36(4)(b) - The previous citation observed corrected on this date. Consultant observed one vehicle the center used to transport children had interior seats that were in good condition during the time of the visit.

Sleeping & Resting Equipment

591-1-1-.30 Safe Sleeping and Resting Requirements(CR) **Technical Assistance**

Technical Assistance
591-1-1-.30(1)(b) - Discussed with the Director that children in the infant room, over 12 months and are able to climb out of the cribs, should sleep on cots or mats. It was further discussed that the staff member should not take the crib mattresses out of the cribs, place them on the floor and use them for naps. Children present, during the time of the visit, were over 12 month old.

Correction Deadline: 8/13/2026

Staff Records

591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR) **Not Met**

Comment
Director provided three files for employees hired since last visit.

Finding
591-1-1-.09(1)(a) requires that a Center ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site. It was determined based on review of records that staff #6 was present without completed fingerprints at an authorized facility.

POI (Plan of Improvement)
IMMEDIATE CORRECTION - The Center will view videos to ensure that every actual and potential Director, Employee and Provisional Employee of a Child Care Learning Center submit both a Records Check Application to the Department and Fingerprints to an authorized fingerprinting site as required. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Center will view videos to ensure the CRC rules are maintained.

Correction Deadline: 8/13/2026

Finding
591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on review of records that staff #6, a therapist present that provided services for a child, had a satisfactory criminal records check that was not ported within the 12 month time frame.

POI (Plan of Improvement)
IMMEDIATE CORRECTION - The Center will view videos to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. 591-1-1-.14 First Aid & CPR(CR) **Not Met**

Comment
Evidence observed of 100% of center Staff certified in First Aid and CPR containing emergency care for infants and children on this date.

Finding
591-1-1-.14(3) requires the Center to have a first aid kit in each building of the Center and in any vehicle used by the Center for transportation of children, that contains scissors, tweezers, gauze pads, adhesive tape, thermometer, band-aids, assorted sizes, antibacterial ointment, insect-sting preparation, an antiseptic cleansing solution, triangular bandages, rubber gloves, protective eye wear, a protective face mask, and a cold pack. The first aid kit, together with a first aid instruction manual which must be kept with the kit at all times, shall be stored so that it is not accessible to children but is easily accessible to Staff. It was determined based on observation that in room A (front) there was a clear backpack with first aid supplies for the classroom near the tall black cabinet, accessible to children.

POI (Plan of Improvement)
Center Staff will provide any missing first aid kits, add any missing items to each first aid kit and will develop and use a plan for checking the kits and replacing missing items in each kit in the future. First aid kits and instruction manuals will be stored so that they kits are not accessible to children but are easily accessible to Center Staff.

Correction Deadline: 8/23/2026

591-1-1-.31 Staff(CR) **Met**

Comment
Staff observed to be compliant with applicable laws and regulations.

Staffing and Supervision

591-1-1-.32 Staff:Child Ratios and Group Size(CR) **Met**

Comment
Center observed to maintain appropriate staff:child ratios.

591-1-1-.32 Supervision(CR) **Not Met**

Finding
591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm’s length away from children thirty-six (36) months of age and younger. It was determined based on observation that the following situations failed to provide watchful oversight to the children during the time of the visit:

On B-Preschool Playground there were two Prek classrooms, with a total of two staff members and 18 children. Two staff members were not position in a way to provide watchful oversight to the entire playground when both staff members stood near each other on the left side of the playground.

On B-Preschool Playground there were two PreK classes with a total of 18 children present. One PreK class, with a total of nine children present, transitioned inside to the classroom. When the PreK class transitioned inside, a child from the other PreK classroom walked inside with the class. The staff member, outside, was unaware of the child missing until the Consultant notified the Director and the Director notified the staff member. It was also observed that the staff member that brought the first PreK class inside was unaware that they had an extra child present.

In Room C (third room) the diapering table was in a position to where the staff member had their back to seven 1 and 2-year olds in the classroom, during a diaper change.

POI (Plan of Improvement)
The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.

Correction Deadline: 8/13/2026
