Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Finding

591-1-1-.14(2)(a) requires that when any child is present on the premises, at least fifty percent (50%) of the caregiver staff present shall be trained in pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid. It was determined based on a review of records that at least 50% of the staff present on this date did not have current CPR and pediatric first aid training. Staff #1 and Staff # 6 were present with current CPR and pediatric first aid training. Staff #2, Staff #7, and Staff #11 were present with expired CRP and first aid training.

POI (Plan of Improvement)

A minimum of 50% of all caregiver Staff on the premises must successfully complete a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid taught by certified or licensed health care professionals or trainers and must deal with the provision of emergency care to infants and children. The Director will send copies via email of verification of completed CPR/First Aid certification to the Consultant upon completion.

Correction Deadline: 9/2/2026
