Please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director. Please ensure that directors complete the transportation training upon being hired at the center. Please ensure to contact your consultant for guidance if you have not been conducting transportation before you plan to conduct transportation in the future.

**There is a free Transportation Training available on OLLI in Georgia PDS (GaPDS). Health and Safety Orientation Training 15-hour course is available free online in OLLI (staff must successfully complete all three trainings to meet licensing requirements). PLEASE NOTE: If the Health & Safety Orientation Training date is outside of the previous 12 months, the training was not approved for 10 credit hours, or the training certificate is not documented in the employee's GaPDS account, the Staff person will be required to take this training again, within their first 90 days of employment at a new facility. Plan of Improvement: Developed This Date

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders.
