Comments

The purpose of the visit was to conduct a Licensing Study.

Plan of Improvement: Developed This Date

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>.

For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: <https://families.dec.al.ga.gov>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

Activities and Equipment

591-1-1-.03 Activities

Not Met

Finding

591-1-1-.03(2) requires the Center to keep current lesson plans on site that reflect appropriate instruction practices and activities to support children's development. The Center shall have sufficient and varied play and learning equipment and materials to support the above program of activities in all developmental areas. It was determined based on observation that lesson plans throughout were outdated. Room A was from March 2026, Room B was from April 2026 and Room C was from the week of August 3, 2026.

POI (Plan of Improvement)

The Center will keep current lesson plans on site that include appropriate instruction practices and activities and will have sufficient and varied play and learning equipment and materials to support the activities.

Correction Deadline: 8/11/2026

Finding

591-1-1-.03(7)(a) requires a center that operates five hours or more per day to provide at least one and one-half hours of outdoor activity per day, weather permitting, for each child who is not an infant and at least one hour daily for infants. It was determined based on a review of schedules that three of three classrooms had only 1 hour of outside time listed and not the one and one-half hour as required for the age groups.

POI (Plan of Improvement)

The center will develop and follow a schedule that provides the required amount of outdoor activity for all children, including infants.

Correction Deadline: 8/11/2026

591-1-1-.12 Equipment & Toys(CR)

Not Met

Finding

591-1-1-.12(4) requires that equipment and furniture is secured if it is of a weight or mass that could cause injury from tipping, falling, or being pulled or pushed over. It was determined based on observation that Room A had an unsecured television in the floor, and Room C had stacked chairs in the corner that posed a falling hazard.

POI (Plan of Improvement)

The Center will ensure that the identified equipment or furniture and any other such existing or future items are secured adequately and will have a system for checking these for stability.

Correction Deadline: 8/11/2026

Comment

Center does not provide swimming activities.

591-1-1-.08 Children's Records**Not Met****Finding**

591-1-1-.08(1) requires the Center Staff to maintain a file for each child while such child is in care and for one year after that child is no longer enrolled. In order for the file to be complete, the file shall contain the following: child's name, birth date, sex, address, living arrangement, name of school if applicable; names of both Parents, home and work addresses, and home and work telephone numbers; name(s) and addresses of the person(s) to whom the child may be released including address, telephone numbers, relationship to child and to Parent(s), and other identifying information; name(s) and telephone number(s) of person(s) to contact in emergencies when the Parent cannot be reached; name and telephone number of the child's primary source of health care; and a statement regarding known allergies, physical problems, mental health disorders, intellectual disabilities or developmental disabilities which limit the child's participation in the program. It was determined based on a review of records that three of five records reviewed did not have a full address for the release person(s).

POI (Plan of Improvement)

Center staff will develop a plan that includes how to obtain all required information for currently enrolled children and how to ensure this is done for future enrollees as well. The plan will also include how and where to maintain files for the required amount of time. The plan will be implemented and followed.

Correction Deadline: 8/11/2026**Facility****591-1-1-.19 License Capacity(CR)****Met****Comment**

Licensed capacity observed to be routinely met by center on this date.

591-1-1-.25 Physical Plant - Safe Environment(CR)**Not Met****Finding**

591-1-1-.25(3) requires the Center and surrounding premises to be kept clean, free of debris and in good repair. Hygienic measures such as, but not limited to, screened windows and proper waste disposal procedures shall be utilized to minimize the presence of rodents, flies, roaches and other vermin at the Center. It was determined based on observation that the following items were in need of repair:

- porch was observed to be chipping paint and wood

- window seal and door outside the infant classroom was observed to be chipping paint and wood with exposed nails

- one window seal was observed to be broken

POI (Plan of Improvement)

The Center will have the Center and surrounding areas cleaned, make repairs where needed, and remove all debris is removed. The Center will implement a plan to keep areas clean and in good repair that includes regular monitoring.

Food Service**591-1-1-.15 Food Service & Nutrition****Not Met****Finding**

591-1-1-.15(10) requires that portions of food or drink which are served to children or placed on the table for service and are not consumed at that meal or snack by the children to whom the portions are served shall be thrown away. Any formula or breast milk remaining one hour from the beginning of the feeding shall be discarded or returned to Parent(s). It was determined based on observation that left over macaroni and cheese was left on the kitchen counter.

POI (Plan of Improvement)

The Center will train Staff and monitor that food, drink, formula, and breast milk are discarded or returned to Parent(s) as required.

Correction Deadline: 8/11/2026

Finding

591-1-1-.15(2) requires that a signed written feeding plan for children less than one (1) year of age shall be obtained from Parent(s) and that instructions from the Parent(s) shall be updated regularly as new foods are added or other dietary changes are made. The feeding plan shall be posted in the child's assigned room and must include the child's feeding schedule, the amount of formula or breast milk to be given, instructions for the introduction of solid foods, the amount of food to be given and notation of any type(s) of commercially premixed formula which may not be used in an emergency because of food allergies. It was determined based on statement that Room C did not have infant feeding plans within the classroom or posted in the class for the enrolled infants.

POI (Plan of Improvement)

The Center Director will develop and implement a plan to obtain and post the completed feeding plan as part of the enrollment process and to have parents update the plans on a regular basis that will include center staff involved with enrollment and those working in the infant classrooms.

Correction Deadline: 8/11/2026

Finding

591-1-1-.15(5) requires that the Center provide a menu listing all meals and snacks to be served during the current week except for School-age Centers where the food may be provided by the Parent(s) by agreement between the School-age Center and the Parent(s). Substitutions shall be recorded on the posted menu and menus shall be retained at the Center for six (6) months. It was determined based on observation that the center had no menu posted.

POI (Plan of Improvement)

The Center will list all of the current week's meals and snacks and all substitutions on the menu and keep past menus on file for six months and will implement a system to monitor this.

Correction Deadline: 8/11/2026

Finding

591-1-1-.18(10) requires that garbage be stored in trash containers with lids that are emptied and cleaned as needed. Acceptable facilities, including water and detergent or steam, shall be provided and used for cleaning containers. Areas around outside containers shall be kept clean. It was determined based on observation that the garbage can in the kitchen did not have a lid.

POI (Plan of Improvement)

The Center will provide trash containers with lids and will train staff to keep lids on containers. The Center will develop and follow a plan to empty and clean trash containers as needed, will provide the cleaning materials, and will monitor.

Correction Deadline: 8/11/2026

Health and Hygiene**591-1-1-.07 Children's Health****Not Met****Finding**

591-1-1-.07(5) requires Center Staff to not permit children to wear around their necks or attach to their clothing pacifier or other hazardous items. It was determined based on observation that an infant in Room C had a pacifier clip attached to their clothing.

POI (Plan of Improvement)

The Center will instruct Staff regarding this safety requirement.

Correction Deadline: 8/11/2026

591-1-1-.10 Diapering Areas & Practices(CR)**Not Met****Finding**

591-1-1-.10(4) requires that if diapers are changed on a diaper changing surface, the surface shall be smooth, non porous, and equipped with a guard or rails to prevent falls. Between each diaper change, the diaper changing surface shall be cleaned with a disinfected and dried with a single-use disposable towel. It was determined based on observation that the diapering pad in Room C had a small tear in the corner with exposed foam.

POI (Plan of Improvement)

The Center will ensure there is a smooth, nonporous changing surface that has a guard or rails for safety in each classroom that houses children wearing diapers. Center Staff will be trained and have adequate supplies to properly clean the diaper changing surface between each diaper change.

Finding

591-1-1-.14(1)(a) requires all Staff who provide direct care to children must obtain certification in a biennial training program in pediatric cardiopulmonary resuscitation (CPR) and a triennial training program in pediatric first aid within the first 45 days of employment. Current and valid evidence of the successful completion of such training shall be maintained on the Center's premises. The hours obtained completing this certification will not count towards the required annual training hours. It was determined based on a review of records that two staff members did not have first aid and CPR within 45 days of hire.

POI (Plan of Improvement)

All caregiver Staff will complete the required training. The Director will send copies via email verification of completed CPR/First Aid certification to the consultant upon completion and will develop a plan to ensure all caregiver Staff have completed this training within the first 45 days of employment and that evidence of successful completion of the training is on file available for inspection.

Correction Deadline: 8/11/2026

Finding

591-1-1-.14(2)(b) requires that there must always be one staff person present in each classroom where children are present that has current and valid pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid training. It was determined based on a review of records that the staff member in Room B did not have first aid and CPR and was alone.

POI (Plan of Improvement)

The Director will schedule and/or position caregiver Staff throughout the Center to ensure at least one currently pediatric CPR and First Aid trained Staff person is present in each classroom where children are present.

Correction Deadline: 8/12/2026

Finding

591-1-1-.33(3)(a)-(k) requires each Staff member with direct care responsibilities to complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics:

a) prevention and control of infectious diseases (including immunizations); b) prevention of sudden infant death syndrome and use of safe sleeping practices; c) administration of medication, consistent with standards for parental consent; d) prevention of and response to emergencies due to food and allergic reactions; e) building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; f) prevention of shaken baby syndrome, abusive head trauma and child maltreatment; g) emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); h) handling and storage of hazardous materials and the appropriate disposal of bio contaminants; i) precautions in transporting children; j) recognition and reporting of child abuse and neglect; and k) child development to include all major domains: cognitive; social and emotional; physical development and motor skills; communication, language, and literacy; and approaches to play and learning. It was determined based on a review of records that two staff member over 90 days of hire did not have health and safety orientation.

POI (Plan of Improvement)

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates and will ensure that the training includes all required components as required.
