Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

Staffing and Supervision

591-1-1-.32 Staff:Child Ratios and Group Size(CR)

Not Met

Finding Associated with Complaint

591-1-1-.32(4)(a) requires that during the early morning times of arrival and late afternoon times of departure, infants and children younger than three (3) years may be grouped with older children so long as Staff: child ratios and group size are met based on the age of the youngest child in the group. It was determined based on staff interviews and staff statements that the allegation of around 7:45 a.m. on August 3, 2021, center staff cared for a group of children which ranged in ages from one to school age in the same physical area is substantiated. Staff statements revealed that on August 3, 2021, one staff person was caring for 25 children ages one to school age on their own for one hour and twelve minutes. Staff statements also revealed that one of the staff persons was back and forth from the classroom to the kitchen completing kitchen duties which allowed for periods of time where the classroom did not maintain proper staff: child ratios. Staff time sheets further revealed that the children were not separated until 8:12 a.m. when two additional staff came to work.

POI (Plan of Improvement)

The Center will maintain Staff:child ratios based on the youngest child in the group during early morning and late afternoon times when children younger than three years of age may be grouped with older children.
