September 24, 2024--The Licensing Study was conducted on this date. The findings were discussed with the Director.

Plan of Improvement: Developed This Date 09/24/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

Finding

591-1-1-.25(13) requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. It was determined based on observation that in Room D there was a staff member's purse observed to be stored on the floor and was in reach of children. Further, there was a staff member's backpack that was stored in an unlocked filing cabinet and was accessible to children.

POI (Plan of Improvement)

The Center will identify all hazardous items and keep them in a locked area inaccessible to children. The Center will inform all Staff about hazardous items and the safe storage of those items.

The Consultant discussed with the Director that Bright from the Start required the Director and the person with primary responsibility for food preparation to complete four clock hours of training in food nutrition planning, preparation, serving, proper dish washing and food storage within the first year of employment.

Correction Deadline: 10/24/2024

Finding

91-1-1-.33(5) requires that every calendar year after the first year of employment, all supervisory and caregiver Personnel, except independent contractors, Students-in-Training and volunteers shall attend ten (10) clock hours of diverse training which is task-focused in on-going health, safety and early childhood or child development related topics and which is offered by an accredited college, university or vocational program or other Department-approved source. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training shall be maintained, as required by these rules. It was determined based on a review of records that five out of 31 staff members did not attend ten (10) clock hours of diverse training which is task-focused in on-going health, safety and early childhood or child development related topics and which is offered by an accredited college, university or vocational program or other Department-approved source. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training shall be maintained, as required by these rules.

POI (Plan of Improvement)

The Center will plan and schedule the required 10 hours of annual training each year and follow up to ensure the training is completed.
