Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Finding

591-1-1-.14(2)(a) requires that when any child is present on the premises, at least fifty percent (50%) of the caregiver staff present shall be trained in pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid. It was determined based on a review of records that ten of 11 staff members had current CPR and First Aid cards on file that did not meet requirements including an in-person skills assessment.

POI (Plan of Improvement)

A minimum of 50% of all caregiver Staff on the premises must successfully complete a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid taught by certified or licensed health care professionals or trainers and must deal with the provision of emergency care to infants and children. The Director will send copies via email of verification of completed CPR/First Aid certification to the Consultant upon completion.

Correction Deadline: 3/1/2026

Finding

591-1-1-.14(2)(b) requires that there must always be one staff person present in each classroom where children are present that has current and valid pediatric cardiopulmonary resuscitation (CPR) and pediatric first aid training. It was determined based on observation that four of five classrooms in use did not have a staff member present with evidence of accepted CPR and First Aid training on file as required.

POI (Plan of Improvement)

The Director will schedule and/or position caregiver Staff throughout the Center to ensure at least one currently pediatric CPR and First Aid trained Staff person is present in each classroom where children are present.

Correction Deadline: 1/30/2026
