For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: <https://families.dec.al.ga.gov>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Policies and Procedures**591-1-1-.21 Operational Policies & Procedures****Not Met****Finding**

591-1-1-.21(1)(p) requires the Center to have a written plan for handling emergencies, including but not limited to severe weather, loss of electrical power or water and death, serious injury or loss of a child, a threatening event, or natural disaster which may occur at the Center; to have in place procedures for evacuation, relocation, shelter-in-place, lock-down, communication and reunification with families, and continuity of operations. The plan must apply to all children in care and include specific accommodations for infants and toddlers, children with disabilities, and children with chronic medical conditions and shall include assurance that no Center Personnel will impede in any way the delivery of emergency care or services to a child by licensed or certified emergency health care professionals. It was determined based on observation that the center did not have evidence of an emergency preparedness plan as required.

POI (Plan of Improvement)

The Center will write or revise an emergency plan that includes all of the required items.

Correction Deadline: 8/31/2026

The fire drills will be conducted monthly and tornado and other emergency situation drills will be conducted every six months. The Center shall maintain documentation of the dates and times of these drills for two years. It was determined based on observation that the program did not have documented evidence that drills were conducted for November and December of 2025.

POI (Plan of Improvement)

The Center will hold the drills as required and keep the documentation of the drills on file for two years.

It was determined based on observation that only two of five staff members present had documented evidence of CPR training.

POI (Plan of Improvement)

A minimum of 50% of all caregiver Staff on the premises must successfully complete a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid taught by certified or licensed health care professionals or trainers and must deal with the provision of emergency care to infants and children. Staffing and Supervision**591-1-1-.32 Staff:Child Ratios and Group Size(CR)**

Not Met

Finding

591-1-1-.32(1) requires the Center to maintain the required Staff:child ratios as follows: under 1 year or under 18 months if not walking = 1:6; 1 year and walking = 1:8; 2 years = 1:10; 3 years = 1:15; 4 years = 1:18; 5 years = 1:20; and 6 years and older = 1:25. A Center must establish groupings of children for care with maximum group sizes as follows: under 1 year = 12; under 18 months/not walking = 12; 1 year and walking = 16; 2 years = 20; 3 years = 30; 4 years = 36; 5 years = 40; and 6 years and older = 50. It was determined based on observation that the program was out of ratio on several occasions during the visit. One staff was observed to care for approximately thirty children alone for more than five minutes. Additionally two staff were observed to care for 77 children for undetermined amount of time.

POI (Plan of Improvement)

The Center will hire additional Staff or reschedule current Staff to meet required Staff:child ratios and will organize children into groups that meet requirements.

Correction Deadline: 8/17/2026

591-1-1-.32 Supervision(CR)

Not Met

Finding

591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger. It was determined based on observation that staff were not positioned to maximize their ability to hear and see the children at all times. Several children were gathered near the restrooms playing, hitting and running without a staff member located in the immediate vicinity to respond. One staff member was left to care for approximately 30 children for more than five minutes.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.
