Comments

The CCS Consultant discussed and left a copy of the updated Child Care Weather Watch Chart with the program today. Weather does not permit outdoor play when there is active precipitation or when a weather advisory is in effect. Consult the Child Care Weather Watch Chart resource for further guidance, considering specific weather conditions.

Plan of Improvement: Developed This Date

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decgal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decgal.ga.gov for more information. Free technical assistance is available!

Comment

Routine playground maintenance was discussed.

Finding

591-1-1-.26(6) requires that playground equipment provide an opportunity for the children to engage in a variety of experiences and shall be age-appropriate. For example, toddlers shall not be permitted to swing in swings designed for School-age Children. The outdoor equipment shall be free of lead-based paint, sharp corners and shall be regularly maintained in such a way as to be free of rust and splinters that could pose significant safety hazard to the children. All equipment shall be arranged so as not to obstruct supervision of children. It was determined based on observation that peeling paint was accessible to children on the large colorful play structure.

POI (Plan of Improvement)

The Center will provide a variety of age-appropriate equipment that is arranged so as not to obstruct supervision of children. Staff will check the equipment daily to ensure that the equipment is free of hazards, rust and splinters.

Policies and Procedures

Technical Assistance

591-1-1-.21(1)(a-o) Discussed updating the Center's policies and procedures to include the program's practices regarding the expulsion and suspension of children enrolled for care within the description of behavior management and discipline actions used by the Center.

Also discussed to ensure a description of the practices followed by the Center to prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children. Additional information can be found in the CCLC Indicator Manual found on DECAL's website at: <https://www.decal.ga.gov/CCS/RulesAndRegulations.aspx> or through the Center on Shaken Baby Syndrome found at: <https://dontshake.org/>.

591-1-1-.32 Supervision(CR)

Not Met

Finding

591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger. It was determined based on observation that staff was not seated within arm's length away from children during snack time in room G-8 and F-7.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.

Correction Deadline: 12/5/2025
