<u>Compliance Zone Designation</u>		
04/21/2026	Monitoring Visit	Good Standing
12/10/2025	Initial Licensing Study	Good Standing

Compliance Zone Designation - A summary measure of a program's 12 month monitoring history, as it pertains to child care health and safety rules. The three compliance zones are good standing, support, and deficient.

Good Standing - Program is demonstrating an acceptable level of performance in meeting the rules.

Support - Program performance is demonstrating a need for improvement in meeting rules.

Deficient - Program is not demonstrating an acceptable level of performance in meeting the rules.

Comments

The purpose of the visit was conduct a Monitoring Visit.

A one-day letter was left on this date for one staff member.

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

Facility

591-1-1-.19 License Capacity(CR)

Not Met

Finding

591-1-1-.19(1) requires a Center to provide 35 square feet of usable space per child, which will determine the Center's License capacity. It was determined based on observation that the 1st Right Classroom had six children present in a room that was licensed for five children.

POI (Plan of Improvement)

The Center will limit the number of children in this space to the licensed capacity.

Correction Deadline: 4/21/2026

591-1-1-.25 Physical Plant - Safe Environment(CR)

Met

Comment

Please be mindful to keep items that pose a hazard inaccessible to children.

591-1-1-.26 Playgrounds(CR)

Not Met

Technical Assistance

Consultant discussed cleaning the toys on the front playground and two cozy coupe cars were missing the steering wheels and in need of repair.

Correction Deadline: 4/21/2026

Finding

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation that the back playground was observed to have vegetation coming through the fencing and limbs present.

POI (Plan of Improvement)

The Center will remove any litter and fix or remove hazards from the playground and will routinely monitor the playground and remove litter and hazards.

Correction Deadline: 4/21/2026

Food Service**591-1-1-.15 Food Service & Nutrition****Not Met****Finding**

591-1-1-.15(2) requires that a signed written feeding plan for children less than one (1) year of age shall be obtained from Parent(s) and that instructions from the Parent(s) shall be updated regularly as new foods are added or other dietary changes are made. The feeding plan shall be posted in the child's assigned room and must include the child's feeding schedule, the amount of formula or breast milk to be given, instructions for the introduction of solid foods, the amount of food to be given and notation of any type(s) of commercially premixed formula which may not be used in an emergency because of food allergies. It was determined based on a review of records a required infant feeding plan posted within the classroom.

POI (Plan of Improvement)

The Center Director will develop and implement a plan to obtain and post the completed feeding plan as part of the enrollment process and to have parents update the plans on a regular basis that will include center staff involved with enrollment and those working in the infant classrooms.

Correction Deadline: 4/21/2026

Finding

591-1-1-.15(2)(f) requires that food for infants or children less than one (1) year of age be cut into pieces one-quarter inch or smaller and food for toddlers shall be cut into pieces one-half inch or smaller to prevent choking. It was determined based on observation that whole eggos were being served to children and not cut to the required sizes.

POI (Plan of Improvement)

The Center will ensure that food for infants and children less than one (1) year of age is cut into pieces one-quarter inch or smaller and food for toddlers is cut into pieces one-half inch or smaller to prevent choking.

Correction Deadline: 4/21/2026

Health and Hygiene**591-1-1-.07 Children's Health****Not Met****Finding**

591-1-1-.07(5) requires Center Staff to not permit children to wear around their necks or attach to their clothing pacifiers or other hazardous items. It was determined based on observation that a 1-year-old had a pacifier clip attached to their clothing.

POI (Plan of Improvement)

The Center will instruct Staff regarding this safety requirement.

Correction Deadline: 4/21/2026

591-1-1-.10 Diapering Areas & Practices(CR)**Met****Comment**

Staff stated proper knowledge of diapering procedures.

591-1-1-.17 Hygiene(CR)**Not Met****Finding**

591-1-1-17(7) requires that children wash their hands with liquid soap and warm running water upon arrival for care, when moving from one child care group to another, upon re-entering the child care area after outside play, before and after eating meals and snacks, handling or touching food, playing in water; after toileting and diapering, playing in sand, touching animals or pets, and contact with bodily fluids and after contamination by any other means. It was determined based on observation that a child came in for the day and was not required to wash hands.

POI (Plan of Improvement)

The Center will train Staff on required handwashing for children and Staff will ensure children's hands are washed when required. The Director will monitor for compliance.

Correction Deadline: 4/21/2026

Comment

The Provider currently does not dispense/administer medication.

Organization**591-1-1-.16 Governing Body & License****Not Met****Finding**

591-1-1-.16(f) requires the Center to submit an application for an amended License at least 30 days prior to a change if there is a change in the name of the program or Center, changes in the ages of the children to be served, an increase in the regular hours of operation such that the Center would be providing evening or night-time care in addition to day-time care, changes in the services provided, or additions to or changes in the use of the building by the licensed Center. If an emergency situation arises which makes it impossible to give thirty (30) days' notice, the management of the Center shall notify the Department by telephone and shall submit an application for an amended License as soon as management becomes aware of the change that will be necessitated by the emergency situation. In no case, however, shall a new owner operate the Center without first securing a new License or Permit from the Department. It was determined based on observation that the 1st Right and 2nd Right Classrooms were placed in full use and the classes were licensed as special use classrooms.

POI (Plan of Improvement)

An application for amendment and all necessary documentation will be submitted.

Correction Deadline: 4/21/2026

Policies and Procedures**591-1-1-.21 Operational Policies & Procedures****Not Met****Finding**

591-1-1-.21(1)(q) requires the Center to have in the Center policies and procedures a description of the safe sleep practices followed by the Center that includes the following information: the initial placement of Infants on their backs to sleep; no cover or other soft items in crib; appropriate sleep clothing for Infants to be provided by Parent; individual crib, cot or mat and bedding provided and changing and cleaning practices for these items; Infants who fall asleep in other equipment, on the floor or elsewhere will be moved to a crib to sleep; and no swaddling or positioning devices used. It was determined based on a review of records that the center did not have a signed safe sleep policy for one infant enrolled.

POI (Plan of Improvement)

The Center will write or revise policies and procedures to include the required description of the Center's safe sleep practices.

Correction Deadline: 4/26/2026

Finding

591-1-1-.21(1)(r) requires Center policies and procedures include a description of the practices followed by the Center to prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children. It was determined based on a review of records that the center did not have the policy stating how they will prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children

POI (Plan of Improvement)

The Center will write or revise policies and procedures to include the required description of the Center's practices used to prevent shaken baby syndrome and abusive head trauma in children up to five years or age.

Correction Deadline: 4/26/2026

Safety

Comment

consultant discussed animals being present. Staff personal animals (dog/cats/etc.) should not be present. No animals were present on this date but evidence was present in the 1st Right Room of one being present prior.

591-1-1-.11 Discipline(CR)

Met

Comment

Age-appropriate discussion and/or redirection observed.

591-1-1-.36 Transportation(CR)

Not Met

Finding

591-1-1-.36(4)(c) requires that each vehicle be equipped with a fire extinguisher maintained in working order and kept inaccessible to children. It was determined based on observation that the fire extinguisher was not secured in the holder.

POI (Plan of Improvement)

The center will ensure that each vehicle has a working fire extinguisher and that the fire extinguisher is kept out of reach of children.

Correction Deadline: 4/21/2026

Finding

591-1-1-.36(7)(a) requires that each vehicle contains current information including: the full names of all children to be transported, each child's pick-up location, pick-up time, delivery location, alternate delivery location if a Parent is not at home and name of person authorized to receive each child. In addition, the vehicle shall contain current information identifying the Center's name, telephone number and the name of the driver of the vehicle. It was determined based on the transportation logs that the staff member on the bus was not listed.

POI (Plan of Improvement)

The Center will ensure that the Center's information and the children's information is included on each vehicle.

Correction Deadline: 4/22/2026

Finding

591-1-1-.36(7)(b) requires that an emergency medical information record be maintained in the vehicle for each child being transported. The emergency medical information record for each child shall include a listing of the child's full name, date of birth, allergies, special medical needs and conditions, current prescribed medications that the child is required to take on a daily basis for a chronic condition, the name and telephone number of the child's doctor, the local medical facility that the Center uses in the area where the Center is located and the telephone numbers where the Parents can be reached. It was determined based on a review of records that the following information was missing:

three of eight did not have the doctor's information

four of eight did not have the parents work numbers

four of eight did not have the medical facility the center uses and address listed

one of eight did not have the dad's information

one of eight did not have if the child had any allergies

POI (Plan of Improvement)

The Center will obtain a complete emergency medical information record for each child that is transported and maintain a copy on the vehicle.

Correction Deadline: 4/22/2026

Finding

591-1-1-.36(7)(c)3. requires that the driver or other designated person document in writing the date and time of arrival and departure each time the vehicle departs from the Center, is loaded or unloaded at each school and when the vehicle returns to the Center; each time the vehicle departs from the Center, arrives at the location where any child is picked up or dropped off and when the vehicle returns to the Center; each time the vehicle leaves the Center, arrives at a field trip destination, leaves a field trip destination, and returns to the Center. It was determined based on a review of records that the center did not have the dates listed daily at the bottom of the transportation logs.

POI (Plan of Improvement)

The Center will ensure that each date and time of arrival and departure is documented by the driver or designated person with training, review and monitoring.

Correction Deadline: 4/22/2026

Finding

591-1-1-.36(7)(d)1. requires that the first check be conducted immediately upon unloading the last child at any location including, but not limited to, a field trip destination, arrival at the Center, and the last stop during transportation to home or school. The responsible person on the vehicle shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; sign the passenger transportation checklist (s), indicating all of the children have exited the vehicle; and give the passenger transportation checklist(s) to the second designated Staff person. It was determined based on a review of records that on April 14, 2026, a first check was not completed upon return from Cowan Road Elementary.

POI (Plan of Improvement)

The Center will train Staff who are or may be involved in transporting children in how to thoroughly inspect a vehicle and properly complete transportation documentation. The Center will review and monitor.

Correction Deadline: 4/22/2026

Finding

591-1-1-.36(7)(d)2. requires that the second designated Staff person conduct a check of the vehicle immediately upon the completion of the first check of the vehicle. The responsible person shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; and sign the passenger transportation checklist(s), indicating all of the children have exited the vehicle. There shall be continuous watchful oversight of the vehicle between the first check and second check. It was determined based on a review of records that a second check was not completed on April 14, 2026, upon return from Cowan Road Elementary.

POI (Plan of Improvement)

The Center will train Staff who are or may be involved in transporting children in how to thoroughly inspect a vehicle and properly complete transportation documentation. The Center will review and monitor.

Correction Deadline: 4/21/2026

Finding

591-1-1-.36(8) restricts a child's travel time to forty-five minutes on each trip between the Center and destination unless accompanied by the Parent and excluding field trips. It was determined based on a review of records that on April 14, 2026, and April 15, 2026, the center exceed the 45 minutes of travel time in that it was 46 minutes and 48 minutes.

POI (Plan of Improvement)

The center will ensure that the travel time is no more than forty-five minutes on each trip.

Correction Deadline: 4/22/2026

Correction Deadline: 5/1/2026

Finding

591-1-1-.30(1)(a)2 requires that a crib mattress is firm, tight-fitting without gaps, at least 2 inches thick and covered with a waterproof, washable material. Before a change of occupant, each mattress shall be cleaned with a disinfectant. It was determined based on observation that two of four crib mattresses were non porous in that they had a quilted pattern.

POI (Plan of Improvement)

The center will ensure that a crib mattress is firm, tight-fitting without gaps, at least

Correction Deadline: 4/21/2026

Finding

591-1-1-.30(1)(a)3 requires that each crib shall have only an individual, tight-fitting sheet which is changed daily or more often as needed and prior to a change of occupant. It was determined based on observation that one of four crib sheets was observed to not be tight-fitting.

POI (Plan of Improvement)

The center will ensure that each crib has an individual, tight-fitting sheet which is changed daily or more often as needed and prior to a change of occupant.

591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR)

Not Met

Finding

591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on a review of records that staff member #4 did not have a comprehensive satisfactory check on file prior to starting at the center on April 6, 2026.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will submit the application to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The center will watch the video and monitor decal koala to ensure the CRC rules are maintained.

Correction Deadline: 4/21/2026

Comment

At least one staff person with current and valid pediatric first aid and pediatric CPR observed in each classroom where children were present.

591-1-1-.33 Staff Training

Not Met

Finding

591-1-1-.33(1) requires all Employees and Provisional Employees to receive Initial Center orientation prior to assignment to children or task. It was determined based on a review of records that a student-in-training did not have orientation paperwork on file.

POI (Plan of Improvement)

The Center will develop and provide orientation for all new Staff prior to their assignment to children or task.

Correction Deadline: 4/21/2026

Finding

591-1-1-.33(3)(a)-(k) requires each Staff member with direct care responsibilities to complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics: a) prevention and control of infectious diseases (including immunizations); b) prevention of sudden infant death syndrome and use of safe sleeping practices; c) administration of medication, consistent with standards for parental consent; d) prevention of and response to emergencies due to food and allergic reactions; e) building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; f) prevention of shaken baby syndrome, abusive head trauma and child maltreatment; g) emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); h) handling and storage of hazardous materials and the appropriate disposal of bio contaminants; i) precautions in transporting children; j) recognition and reporting of child abuse and neglect; and k) child development to include all major domains: cognitive; social and emotional; physical development and motor skills; communication, language, and literacy; and approaches to play and learning. It was determined based on a review of records that two staff members did not have health and safety orientation on file.

POI (Plan of Improvement)

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates and will ensure that the training includes all required components as required.

Correction Deadline: 5/21/2026

Comment

Discussed that all lead staff must enroll in an approved education program within 6 months of hire and complete degree within 18 months.

Staffing and Supervision**591-1-1-.32 Staff:Child Ratios and Group Size(CR)**

Not Met

Finding

591-1-1-.32(4)(a) requires that during the early morning times of arrival and late afternoon times of departure, infants and children younger than three (3) years may be grouped with older children so long as Staff: child ratios and group size are met based on the age of the youngest child in the group. It was determined based on observation that upon arrival in the 1st Right Classroom children ranging in age of 1-year-old to 3-year-old were all housed together.

POI (Plan of Improvement)

The Center will maintain Staff:child ratios based on the youngest child in the group during early morning and late afternoon times when children younger than three years of age may be grouped with older children.

Correction Deadline: 4/21/2026

Finding

591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger. It was determined based on observation that children were left in the 1st Right Classroom alone when the staff member stepped into the 1st Left Classroom. It was also determined that staff members were watching children from the door way in the Far Back and 2nd Right Classroom when the classes transitioned to the rooms. IT was further determined that staff in the Far Back Room was not seated within arms length while a child under the age of 36-months was eating.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.

Correction Deadline: 4/21/2026
