Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/RuleAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Finding

591-1-1-.31(1)(a) requires the Center to have a Director who is responsible for the supervision, operation and maintenance of the Center. The Director must be on the Center's premises. If the Director is absent from the Center at any time during the hours of the Center's operation, there shall be an officially designated person on the Center site to assume responsibility for the operation of the Center, and this person shall have full access to all records required to be maintained under these rules. It was determined based on staff statements and a review of records that there was not a designated director who was responsible for the supervision, operation, and maintenance of the after-school program.

POI (Plan of Improvement)

The Center will ensure a director, responsible for the supervision, operation and maintenance of the Center is on the premises. during operating hours. The Center will officially designate a person to assume responsibility for the operation of the Center when the director is not present who has full access to all records.

Staffing and Supervision

591-1-1-.32 Staff:Child Ratios and Group Size(CR) **Not Met**

Finding

591-1-1-.32(2) requires the Center maintain Staff:child ratios in mixed-age groups based on the age of the youngest group of children that includes more than twenty percent of the total number of children in the mixed-age group. It was determined based on observation that when the consultant arrived, there were two staff members present with 1 four-year-old child, 9 five-year-old children, and 71 children ages six and above for a ratio of 2:81 when five staff members were required for a ratio of 5:81.

POI (Plan of Improvement)

The Center will provide adequate staff when there is a mixed-age group.

Correction Deadline: 9/11/2024

Finding

591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger. It was determined based on observation that two school-age children were left in the cafeteria unattended while center staff took to the children to the restroom. On many occasions, children came into the cafeteria to gather their belongings before going home with no staff members present. Additionally, on many occasions, children were observed to walk from the cafeteria, from the outdoor playground, and from the outdoor grassy area to the front door of the building unattended and were not supervised by a staff member at all times as required.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.

Correction Deadline: 9/11/2024
