Comments:

Please refer to the Exemption page of the website, <https://www.dec.al.ga.gov/CCS/Exemptions.aspx> for information regarding Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the user id for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific standard number(s) that you are refuting, add the reason for disagreement regarding the standard citation, and upload supporting documentation.
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

The following information is associated with a EX-CAPS-Monitoring:**Children's Records****EX-HS-.C Children's Records****Not Met****Not Met**

EX-HS-.C(2) requires Program Staff to maintain a file for each child that includes evidence of age-appropriate immunizations or a signed affidavit against such immunizations for each child enrolled in the Program on a form approved by the Department, and to allow no child to continue enrollment in the Program for more than thirty (30) days without such evidence. It was determined based on a review of records that the program could not provide evidence of immunization records in the the children's files as required.

POI (Plan of Improvement)

The Program will have and use a plan to track immunization forms for all enrolled children and ensure the form or affidavit is obtained from the parent or guardian within 30 days of enrollment. Parents will be informed that their child cannot remain enrolled in the program without this documentation. All files will be reviewed during the follow up visit.

EX-HS-.X - Observed compliance with the local zoning authorities, fire safety agencies and local building authorities on this date.

Policies and Procedures

Not Met

EX-HS-.J1(a-i) requires the Program to establish and implement written policies and procedures that describe the Program's operations as follows: (a) The exclusion of children with contagious illness; (b) Notification of parents in the event their child becomes ill while at the facility; (c) The notification of all parents of enrolled children when a reportable contagious illness is present in the facility; (d) The prevention of and response to food and allergic reactions; (e) Emergency preparedness and response. A written plan for handling emergencies, including but not limited to severe weather, loss of electrical power or water and death, serious injury or loss of a child, a threatening event, or natural disaster which may occur at the program. The program will have in place procedures for evacuation, relocation, shelter-in-place, lock-down, communication and reunification with families, and continuity of operations. The plan must apply to all children in care and will include specific accommodations for infants and toddlers, children with disabilities, and children with chronic medical conditions. Such plan shall include assurance that no Personnel will impede in any way the delivery of emergency care or services to a child by licensed or certified emergency health care professionals; (f) The handling and appropriate disposal of bodily fluids and storage of hazardous materials (soiled clothing and bedding); (g) Recognition and reporting of child abuse and neglect; (h) A description of behavior management and discipline actions used by the program, to include the program's practices regarding the expulsion and suspension of children enrolled for care; (i) A description of the practices followed by the Center to prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children. It was determined based on a review of records that the program could not provide evidence of emergency preparedness files to the Department as required.

POI (Plan of Improvement)

The Program will revise their policies and procedures to include all required information and update as needed. All files will be reviewed at the follow up visit.

Correction Deadline: 6/23/2026
