Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

#### Finding Associated with Complaint

591-1-1-.21(1)(a-o) requires the Center to establish and implement written policies and procedures that describe the Center's operations as follows: a) services to be provided, ages of children served, days and times of operations and days and times closed; b) enrollment and admission requirements specifying Parents' responsibilities for supplying needed information and escorting the child to and from the Center; c) a fee and payment schedule with standard fees, fees related to absences and vacations and other fees such as for transportation and late fees; d) Center's transportation and field trip services; e) administration of medication and Parent notification of adverse reactions to prescribed medication; f) Parental notification in cases of illness/injury and exclusion of sick children; g) Parental notification when a notifiable communicable disease is present; h) handling of medical emergencies; i) meals and snacks served, including guidelines for food brought from child's home; j) access by the Parents to all Center areas used by the child; k) child abuse reporting law requirements; l) behavior management and discipline actions used; m) nondiscrimination statement; n) Center sponsored religious and cultural activities; and o) diapering, toilet training and feeding procedures. It was determined, based on an investigation, that on March 13, 2024 a child experienced symptoms of moderate discomfort when they were roughly handled by a staff member as a form of discipline. The center did not notify the parent immediately or at the end of the day as required. The center policy revealed that if an accident/incident should occur, a staff member will complete an accident/incident report to notify parents of such an accident or incident.

#### POI (Plan of Improvement)

The Center will revise their policies and procedures to include all required information and update as needed.

**Correction Deadline: 7/19/2024**

### Safety

**Finding Associated with Complaint**

591-1-1-.11(2) requires that Personnel not: physically or sexually abuse a child or engage or permit others to engage in sexually overt conduct in the presence of any child enrolled in the Center; inflict corporal/physical punishment upon a child; shake, jerk, pinch or handle a child roughly; verbally abuse or humiliate a child which includes, but is not limited to, the use of threats, profanity or belittling remarks about a child or his family; isolate a child in a dark room, closet or unsupervised area; use mechanical or physical restraints or devices to discipline children; use medication to discipline or control children's behavior without written medical authorization issued by a licensed professional and given with the parent's written consent; restrict unreasonably a child from going to the bathroom; punish toileting accidents; force-feed a child or withhold feeding a child regularly scheduled meals and/or snacks; force or withhold naps; allow children to discipline or humiliate other children; or confine a child for disciplinary purposes to a swing, highchair, infant carrier, walker or jump seat. It was determined, based on an investigation, that on March 13, 2024 a staff member handled a child roughly when they were observed to drag a three-year-old child across the playground and slammed the child down on the pavement as a form of discipline. The staff member was terminated as a result of the rough handling of the three-year-old child.

**POI (Plan of Improvement)**

The Center will take immediate action to ensure the action/conduct has ceased; train/review appropriate child guidance techniques with center staff; and have a system in place to monitor and identify inappropriate actions.

**Finding Associated with Complaint**

591-1-1-.31(13) prohibits Center Staff from committing any criminal act, as defined under Georgia law, in the presence of any child enrolled in the Center and requires Center staff to comply with all applicable laws and regulations. It was determined, based on an investigation, that on May 3, 2024, a staff member was arrested and charged with Reckless Conduct as a result of an incident that occurred on March 13, 2024, when a staff member drug a three-year-old child across the playground and forcefully placed the child on the ground as a form of discipline.

**POI (Plan of Improvement)**

The Center will ensure that all Staff comply with all applicable laws and regulations.
