Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Incident Investigation Closure:

Health and Hygiene

591-1-1-.07 Children's Health **Not Met**

Finding Associated with Complaint
591-1-1-.07(2) requires Center Staff to immediately notify Parents and obtain specific instructions until the child can be picked up or returned to the group when professional medical attention is required, or when the child experiences symptoms of moderate discomfort such as elevated temperature, vomiting or diarrhea and to notify Parents by the end of the day when professional medical attention is not required, when the child experiences symptoms of less than moderate discomfort or when the child experiences an adverse reaction to prescribed medication which does not constitute moderate discomfort. It was determined based on a review of records that center staff failed to notify the parents of a child's injury immediately following an incident that required professional medical attention.

POI (Plan of Improvement)
The Center will provide notification and obtain instructions as required and will train Staff to familiarize them with the notification requirements and the Center's procedures for following them.

Correction Deadline: 8/11/2021

It was determined based on a review of records that center staff failed to report an incident to the department within 24 hours of an injury requiring professional medical treatment.
