Plan of Improvement: Developed This Date

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@decal.ga.gov for more information. Free technical assistance is available!

Please be mindful to keep items that pose a hazard inaccessible to children.

Finding

591-1-1.25(3) requires the Center and surrounding premises to be kept clean, free of debris and in good repair. Hygienic measures such as, but not limited to, screened windows and proper waste disposal procedures shall be utilized to minimize the presence of rodents, flies, roaches and other vermin at the Center. It was determined based on observation that in the boy's bathroom in classroom 1 the wall behind the toilet had peeling paint and drywall. The black base board was loose. Additionally, in classroom 2 the bottom corner of the wall on the right side of the back door had exposed drywall and the base board was loose.

POI (Plan of Improvement)

The Center will have the Center and surrounding areas cleaned, make repairs where needed, and remove all debris is removed. The Center will implement a plan to keep areas clean and in good repair that includes regular monitoring.

Correction Deadline: 2/22/2025

Finding

591-1-1-.26(6) requires that playground equipment provide an opportunity for the children to engage in a variety of experiences and shall be age-appropriate. For example, toddlers shall not be permitted to swing in swings designed for School-age Children. The outdoor equipment shall be free of lead-based paint, sharp corners and shall be regularly maintained in such a way as to be free of rust and splinters that could pose significant safety hazard to the children. All equipment shall be arranged so as not to obstruct supervision of children. It was determined based on observation that the following posed a hazard to children on the playground in the front:

- Peeling paint on the two yellow horns.
- Peeling paint on the backside of the yellow and red car.
- Peeling paint on top of the yellow slide.
- A crack that measured four inches long on the left inside of the red slide at the base.

POI (Plan of Improvement)

The Center will provide a variety of age-appropriate equipment that is arranged so as not to obstruct supervision of children. Staff will check the equipment daily to ensure that the equipment is free of hazards, rust and splinters.

Staffing and Supervision**Finding**

591-1-1-.32(4) requires that children under three years old be housed in separate physical areas from older children and cannot be mixed with older children except at specified times and circumstances. It was determined based on observation that classroom 2 had a one-year-old in the classroom with two three-year-olds. Classroom 3 had three one-year-olds in the classroom with three three-year-olds.

POI (Plan of Improvement)

The Center will maintain separation of these children under three years old.

Correction Deadline: 2/12/2025

Comment

Adequate supervision observed on this date.

Technical Assistance

The consultant discussed with the director to ensure Staff are attentive and seated within an arm's length away from children 36 months of age and younger. Additionally, the consultant discussed ensuring that children do not have excessive amounts of food in their mouths while eating and are chewing their food appropriately to prevent instances of choking. Children must always be seated when eating and shall not be allowed to lie down or be put to sleep while food is present in their mouths.

Correction Deadline: 2/12/2025
