Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Self-Reported Investigation:

Staffing and Supervision

591-1-1-.32 Staff:Child Ratios and Group Size(CR)

Not Met

Finding Associated with Complaint

591-1-1-.32(1) requires the Center to maintain the required Staff:child ratios as follows: under 1 year or under 18 months if not walking = 1:6; 1 year and walking = 1:8; 2 years = 1:10; 3 years = 1:15; 4 years = 1:18; 5 years = 1:20; and 6 years and older = 1:25. A Center must establish groupings of children for care with maximum group sizes as follows: under 1 year = 12; under 18 months/not walking = 12; 1 year and walking = 16; 2 years = 20; 3 years = 30; 4 years = 36; 5 years = 40; and 6 years and older = 50. It was determined based on a review of attendance records and investigation that on April 22, 2026 there was a ratio of 1:10 (four 1-year-olds and six 2-year-olds) in Room C/2L-2's when two staff members were required.

POI (Plan of Improvement)

The Center will hire additional Staff or reschedule current Staff to meet required Staff:child ratios and will organize children into groups that meet requirements.

Correction Deadline: 7/14/2026

591-1-1-.32 Supervision(CR)

Not Met

Finding Associated with Complaint

591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger. It was determined based on an investigation, staff failed to provide watchful oversight on April 22, 2026, during morning outside time and during free play in classroom C/2L-2's, when a 2-year-old child was bitten several times by another child. Staff was not aware of the biting incidents until the victim child started moaning. Professional medical attention was obtained for the child.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.

Correction Deadline: 7/14/2026
