SAVE the report before exiting.

All amendments are required to be electronically submitted in DECAL KOALA.

Please ensure that the director and staff responsible for food preparation completes the four (4) hours of nutrition training as soon as possible but within the first year of employment.

Please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director. Please ensure that directors complete the transportation training upon being hired at the center. Please ensure to contact your consultant for guidance if you have not been conducting transportation before you plan to conduct transportation in the future. (if applicable)

**There is a free Transportation Training available on OLLI in Georgia PDS (GaPDS). Health and Safety Orientation Training 15-hour course is available free online in OLLI (staff must successfully complete all three trainings to meet licensing requirements). PLEASE NOTE: If the Health & Safety Orientation Training date is outside of the previous 12 months, the training was not approved for 10 credit hours, or the training certificate is not documented in the employee's GaPDS account, the Staff person will be required to take this training again, within their first 90 days of employment at a new facility. Reminder: Health and Safety Orientation Training can only be taken once every five years.

Updated Transportation forms including sample as of October 1, 2023, use immediately (if applicable).

Discussed regarding ensuring to complete rechecks for Criminal Records checks at least 90 days before the five-year expiration. Suggestion: Check monthly or sooner to ensure that staff's criminal records checks are not expiring.

Don't forget to post a new license annually.

Discussed regarding nap mats regarding not using tape to repair; must replace (if applicable).

Also, SUID (Sudden Unexpected Infant Death Syndrome formerly SIDS) must be included on the orientation checklist along with abusive head trauma. **Please don't forget to add to your childcare policies and procedures concerning expulsion, suspension, and practices followed to prevent shaken baby syndrome and abusive head trauma.

Plan of Improvement: Developed This Date

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.
