Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

### Children's Records

#### 591-1-1-.08 Children's Records

#### Finding Associated with Complaint

591-1-1-.08(6) requires the Center to maintain records of a child's daily arrival and departure for the twelve (12) preceding months that the Parent or person(s) authorized by the Parent documents, in written or electronic format, each time the Parent or authorized person drops off and picks up the child. The documentation shall include at least the date, the child's name, the arrival and departure times, and the signature or initials of the Parent or authorized person at the time of arrival and departure. These records shall be made available to the Department in printed or written form upon request. It was determined, based on investigative findings, that on April 15, 2022, the center did not have a completed arrival and departure record for children in care as required by the Department.

#### POI (Plan of Improvement)

The Center will maintain arrival and departure records as required, will ensure the documentation includes all of the required information, and will provide the records to the Department when requested.

**Correction Deadline: 5/25/2022**

#### Finding Associated with Complaint

591-1-1-.08(7) requires the Center to ensure that children are only released to authorized person(s), and that Center Staff take necessary steps to determine that any such person(s) presenting to pick up a child in care is authorized by the Parent(s) of the child and that person matches the identifying information provided by the Parent. It was determined, based on investigative findings, that on April 15, 2022, a three-year-old child was released to a non-custodial parent and staff members failed to check the non-custodial parent's identification against the child's enrollment form.

#### POI (Plan of Improvement)

The Center will develop/maintain procedures for releasing children and will train Staff.
