- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check

If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

The following information is associated with a Incident Investigation & Follow Up:

Facility

591-1-1-.26 Playgrounds(CR) **Not Met**

Finding
591-1-1-.26(8) requires climbing and swinging equipment to have a resilient surface beneath the equipment and the fall zone from such equipment must be adequately maintained by the Center to assure continuing resiliency. It was determined based on observations the middle playground area was observed to have less than 3 inches of resilient surface beneath fall zone area at the end of the slide on this date.

POI (Plan of Improvement)
The Center will add additional resilient surfacing to the fall zones where needed and check daily, adding resilient surfacing as needed to maintain adequate resiliency.

.09-Criminal Records Check Missing

591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR) **Not Met**

Finding
591-1-1-.09(1)(j) requires that for portability for Directors, Employees and Provisional Employees, excluding Students-in-Training, only the most recently issued determination letter is eligible for portability and must be ported electronically. A Center may accept a satisfactory Fingerprint Records Check Determination letter or a satisfactory Comprehensive Records Check Determination letter issued by the Department if the Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Center does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined based on a review of records that an employee was present at the center with an eligible satisfactory Comprehensive Records Check Determination letter that had not been ported over to the center's DECAL Koala account.

POI (Plan of Improvement)
IMMEDIATE CORRECTION - The Center will ensure that only the most recently issued determination letter is electronically ported for Directors, Employees and Provisional Employees, excluding Students-in-Training. A Center may accept a satisfactory Fingerprint Records Check Determination letter or a satisfactory Comprehensive Records Check Determination letter issued by the Department if the Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Center does not know or reasonably should not know that the individual's satisfactory status has changed. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Center will ensure CRC rules are maintained.

Correction Deadline: 7/31/2026

591-1-1-.33 Staff Training **Met**

Correction Deadline: 4/4/2026

Corrected on 7/31/2026
.33(4) The previous citation was observed corrected on this date. The Consultant reviewed training certificates that verified the Director and the designated cook completed the required four clock hours of training in menu planning, food preparation, food serving, proper dishwashing procedures, and food storage.

Staffing and Supervision

591-1-1-.32 Staff:Child Ratios and Group Size(CR) **Not Met**

Finding
591-1-1-.32(2) requires the Center maintain Staff:child ratios in mixed-age groups based on the age of the youngest group of children that includes more than twenty percent of the total number of children in the mixed-age group. It was determined based on an observation that there were three 1-year-old children and seven 2-year-old children present in a toddler classroom. Center staff did not maintain adequate staff to child ratios for mixed age groups when a ratio of 1:10 was present. A ratio of 2:11 was required.

POI (Plan of Improvement)
The Center will provide adequate staff when there is a mixed-age group.

Correction Deadline: 7/31/2026
