Plan of Improvement: Developed This Date

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at https://www.decal.ga.gov/CCS/RulesAndRegulations.aspx.

For additional information regarding the full compliance inspection results of this program or any licensed program in the state, access the Child Care Services Compliance-at-a Glance website by scanning this QR code or visiting: https://families.decal.ga.gov.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at http://gbi.georgia.gov to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Children's Records

Records Reviewed: 8 **Records with Missing/Incomplete Components: 1**

Child # 3 Not Met

"Missing/Incomplete Components"

Immunization Form - (.08)(2)

290-2-3-.08 Children's Records **Not Met**

Finding
290-2-3-.08(2) requires the Home to maintain a file for each Child that includes evidence of age-appropriate immunizations or a signed affidavit against such immunizations; enrollment in the Home may not continue for more than 30 days without such evidence. It was determined based on a review of records that two out seven children had an expired immunization record on file.

POI (Plan of Improvement)
The Home Provider will ensure that an immunization record/signed affidavit is on file for each enrolled Child.

Correction Deadline: 9/8/2026

Recited on 9/1/2026

Finding
290-2-3-.08(8)(b) requires that the Family Child Care Learning Home have policies and procedures which shall include written procedures for the following:
1. Behavior management and discipline techniques; actions used by the Home, to include the program's practices regarding the expulsion and suspension of children enrolled for care;
2. Handling emergency medical care, including where the Children will be taken for emergency medical care;
3. Administering medication and recording noticeable adverse reactions to medication;
4. Notifying Parents in writing of their Child's illness, injury, and exposure to a notifiable communicable disease or any cases or suspected cases of viruses or illnesses (COVID-19, etc.) identified during a public health emergency, within twenty-four (24) hours after the Home becomes aware of the illness or the next working day;
5. Noticeable adverse reaction to medication(s);
6. Exclusion of sick children;
7. Exclusion and readmission of children with communicable diseases, as defined on the most current version of the communicable diseases chart, as found on the Department's website, or with cases or suspected cases of viruses or illnesses (COVID-19, etc.) identified during a public health emergency;
8. Protection of children in the event of severe weather, fire, and physical plant problems, such as power failure, that affect climate control, loss of water, or structural damages;
9. The transportation of Children to and from school or Home, if provided, to include the procedure to be followed if no one is home to receive the transported Child;
10. Identification of others providing care. The Provider must inform the Parents of Children in care of the names of any caregiver and their responsibilities, and the names of the persons who would be called upon in an emergency;
11. Parents' ability to visit the Family Child Care Learning Home unannounced and at any time that their Child is in care;
12. Any information requested by the Parent concerning the operation of the Family Child Care Learning Home or the care of the Child, including but not limited to a description of any special procedures to be followed in caring for the Child, such as any special services which the Home agrees to provide to a Child with special needs . The Parent(s) will be provided daily communication (verbal/written) regarding the care of the Child, especially with infants, toddlers and nonverbal Children. Additionally, the Provider must bring special problems or significant developments to the Parent's attention as soon as they arise;
13. Notification of the existence of a firearm in the Family Child Care Learning Home;
14. Notification of any changes in the regular composition of the household. The Provider must notify the Parent(s) of anyone regularly on the premises, including but not limited to spouse, friend(s), relative(s), or significant other(s);
15. Notification of the existence of any pets or other animals residing in the Home or on the property of the Family Child Care Learning Home; and
16. Notification of infant sleep position practices. The Provider must notify Parent(s) of Sudden Infant Death Syndrome (SIDS) risk reduction practices, sleep positioning policies, and arrangements for placing all infants on their backs for sleep. 17. A description of the practices followed by the Home to prevent shaken baby syndrome and abusive head trauma in children up to five years of age that includes the following information: how to recognize, respond to, and report the signs and symptoms of shaken baby syndrome and abusive head trauma; strategies to assist staff members in understanding how to care for infants and how to cope with a crying, fussing, or distraught child; strategies to ensure staff members understand the brain development of children up to five years of age; and a list of prohibited behaviors when dealing with children.
It was determined based on a review of records that the Provider did not have evidence of the policies and procedures updated to include the program's practices regarding the expulsion and suspension of children enrolled and the prevention of shaken baby syndrome and abusive head trauma in children up to five years of age as required.

POI (Plan of Improvement)
The Home Provider will add the missing documentation to the written policies and procedures and will update policies and procedures as changes occur in the operation of the Home.

Correction Deadline: 9/8/2026

Recited on 9/1/2026

Facility

290-2-3-.11 Physical Plant - Safe Environment(CR) **Not Met**

Finding
290-2-3-.11(2)(c) requires that documentation of drills required by these rules shall be maintained in the Home. The Home shall conduct drills for fire, tornado, and other emergency situations. The fire drills will be conducted monthly and tornado and other emergency situation drills will be conducted every six months. The Home shall maintain documentation of the dates and times of these drills for two years. It was determined based on observation that the Provider did not have evidence of the fire extinguisher check documented for March 2026 through August 2026. The last date documented was February 3, 2026. The smoke detector check was not documented for August 2026. Additionally, the emergency plans procedures were not documented for January 2026 through August 2026. The last date documented was August 4, 2025.

POI (Plan of Improvement)
The Provider will develop and implement a plan and schedule for conducting the required drills, completing the documentation, keeping the documentation on file for two years.

Correction Deadline: 9/2/2026

Recited on 9/1/2026

290-2-3-.13 Physical Plant-Structural/Mechanical(CR) **Met**

Comment
The Home appeared clean and free from hazards.

290-2-3-.13 Playgrounds(CR) **Not Met**

Finding
290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that the front section of the wood fence around the air condition unit was separated from the post leaning over posing a safety hazard.

POI (Plan of Improvement)
The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced. The Home will install or repair a fence around swimming pools that makes them inaccessible to children.

Correction Deadline: 9/8/2026

Staff Records

290-2-3-.21 Criminal Records and Comprehensive Background Checks(CR) **Met**

Comment
Consultant requested to view all Criminal Record checks for employees hired after the last visit. Provider stated that there have been no new hires since the last visit.

290-2-3-.07 First Aid & CPR(CR) **Not Met**

Finding
290-2-3-.07(8)(a) requires the Home to maintain for the Provider and any Provisional Employee or Employee with direct care responsibilities current evidence of successful completion of a biennial training program in pediatric cardiopulmonary resuscitation (CPR) and a triennial training program in pediatric first aid which have been offered by certified or licensed health care professionals or trainers. Such training must be completed prior to initial licensure for the Provider and within 9045 days from date of hire for Provisional Employees and Employees. Current and valid evidence of the successful completion of such training shall be maintained on the Home’s premises. It was determined based on a review of records that the Provider did not have evidence of current pediatric cardiopulmonary resuscitation (CPR) and a triennial training program in pediatric first aid as required. The training expired July 31, 2026.

POI (Plan of Improvement)
The Home will obtain the required pediatric CPR and first aid training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested. The Home will ensure that there is always a Staff person on the Home's premises whenever any Child is present.

Correction Deadline: 9/15/2026
