Be sure to enter all temporary closures by 7 a.m. (vacation, emergencies, school closures, inclement weather, holidays etc...) in DECAL KOALA at all times under the Required Report tab whenever your facility is closed temporarily because you are not caring for children for one or more days. SAVE the report before exiting.

All amendments are required to be electronically submitted in DECAL KOALA.

Please be sure to hide staff who are no longer employed in your DECAL KOALA account. Please reach out for help with this, if needed.

Please ensure that the director and staff responsible for food preparation completes the four (4) hours of nutrition training as soon as possible but within the first year of employment.

Please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director. Please ensure that directors complete the transportation training upon being hired at the center. Please ensure to contact your consultant for guidance if you have not been conducting transportation before you plan to conduct transportation in the future. (if applicable)

**There is a free Transportation Training available on OLLI in Georgia PDS (GaPDS). Health and Safety Orientation Training 15-hour course is available free online in OLLI (staff must successfully complete all three trainings to meet licensing requirements). PLEASE NOTE: If the Health & Safety Orientation Training date is outside of the previous 12 months, the training was not approved for 10 credit hours, or the training certificate is not documented in the employee's GaPDS account, the Staff person will be required to take this training again, within their first 90 days of employment at a new facility. Reminder: Health and Safety Orientation Training can only be taken once every five years.

Talk about updated orientation checklist.

Indicator manual and utilizing it.

Updated Transportation forms including sample as of October 1, 2023, use immediately (if applicable).

Discussed regarding ensuring to complete rechecks for Criminal Records checks at least 90 days before the five-year expiration. Suggestion: Check monthly or sooner to ensure that staff's criminal records checks are not expiring.

Don't forget to post a new license annually.

Discussed regarding nap mats regarding not using tape to repair; must replace (if applicable).

Recent Changes/Updates: Core Rule: CPR and First Aid will be due within 45 days. 2 hours of Language and Literacy/2 hours of Health and Safety training annually beginning July 1, 2025, a required for all staff. Also, SUID (Sudden Unexpected Infant Death Syndrome formerly SIDS) must be included on the orientation checklist along with abusive head trauma. **Please don't forget to add to your childcare policies and procedures concerning expulsion, suspension, and practices followed to prevent shaken baby syndrome and abusive head trauma.

One Day Letter left on this day.

Plan of Improvement: Developed This Date

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

Activities and Equipment

591-1-1-.12 Equipment & Toys(CR)

Not Met

Finding

591-1-1-.12(2) requires that all equipment and furniture be free from hazardous conditions such as, but not limited to, sharp rough edges or toxic paint; and be kept clean. It was determined based on observation that the following hazards were observed to be accessible:

-B: The black shelf in the block area was observed to have a chipped piece of wood at the bottom on the right.

Also, a white shelf laminate to the right in home living was observed to be peeling. Further, a rug was observed to be folded up in the right back corner and was accessible.

-C: The pretend play cupboard near the changing table was observed to be chipped at the corners and was sharp..

-E: The left handle on the grey stove was observed to be broken.

POI (Plan of Improvement)

The Center will ensure that equipment and furniture are used by the age-appropriate group of children. The director removed the furniture during the visit. The handle was repaired on the stove during the visit.

Not Met

Finding

591-1-1-.17(7) requires that children wash their hands with liquid soap and warm running water upon arrival for care, when moving from one child care group to another, upon re-entering the child care area after outside play, before and after eating meals and snacks, handling or touching food, playing in water; after toileting and diapering, playing in sand, touching animals or pets, and contact with bodily fluids and after contamination by any other means. It was determined based on observation that staff did not wash a child's hands immediately after diapering.

POI (Plan of Improvement)

The Center will train Staff on required handwashing for children and Staff will ensure children's hands are washed when required. The Director will monitor for compliance.

Correction Deadline: 10/6/2025

Finding

591-1-1-.17(8) requires staff to wash their hands with liquid soap and warm running water upon arrival for the day, when moving from one child care group to another, upon re-entering the child care area after outside play, before and after diapering each child, dispensing medication, applying topical medications, handling and preparing food, eating, drinking, preparing bottles, feeding each child, assisting children with eating and drinking, after toileting or assisting children with toileting, using tobacco products, handling garbage and organic waste, touching animals or pets, handling bodily fluids and after contamination by any means. It was determined based on observation that two staff did not wash hands before beginning diapering in the B and C classrooms.

POI (Plan of Improvement)

The Center will ensure liquid soap and warm running water are available for handwashing, train Staff on the handwashing requirements, review the requirements with Staff periodically, and monitor handwashing.

Finding

591-1-1-.36(3)(a-b) requires any Center that provides any type of transportation to obtain two (2) hours of state-approved or state-accepted transportation training, biannually, for the Director and for each person responsible for or who participates in the transportation of children. The training shall include, but is not limited to, a review of the transportation rules, a review of approved transportation forms and procedures, and instruction on the usage and completion of the forms and procedures. This training may be counted as part of the annual training requirements for Staff. It was determined based on a review of records that staff #7, hired on June 7, 2021, did not have current evidence of transportation training. The training expired on August 8, 2025.

POI (Plan of Improvement)

The Center will ensure that the Director, Center Staff, and any person responsible for the transportation of children has completed the required transportation training. The training was completed on the day of the visit.

Correction Deadline: 10/16/2025

Finding

591-1-1-.36(4)(b) requires that the interior of a transportation vehicle be clean, in safe repair and free of hazardous items, objects and/or other non-essential items which could cause injury. It was determined based on observation that the third row seat on the vehicle tag number SGZ 6195 had a hole. Also, the casing on the door on the left side was missing exposing sharp metal.

POI (Plan of Improvement)

The center will maintain that all transportation vehicles are clean, in safe repair, and free from hazards. The provider submitted a maintenance request.

Correction Deadline: 10/20/2025

Finding

591-1-1-.36(4)(f)1. requires that all transported children be secured in a child passenger restraining system or seat safety belt in accordance with current state and federal laws and regulations and according to manufacturer's directions. It was determined based on observation that one car seat was observed to be expired as of June 3, 2024. Also, the seat belt in the first row was observed to be twisted.

POI (Plan of Improvement)

The Center will ensure that manufacturer directions and state and federal laws are met when using child passenger restraining systems and seat safety belts. The provider replaced the car seat during the visit.

Comment

Criminal record checks were observed to be complete.

-Please ensure that applicants/staff are listing exact dates (including month/day/year) on 10-year work history form in order to determine any breaks in service from the childcare industry.

-Please ensure that all staff, volunteers, independent contractors, substitutes, therapists, etc...has their records check electronically ported to the center's list in KOALA before being present at the facility.

-Please ensure that records checks are redone if there is a six-month (180 calendar days) break in service from the childcare industry.

-Please also ensure that satisfactory records checks are updated before the expiration date.

-Ensure that all therapists and other independent contractors have an updated records check on file, before being present at the center or home or ensure that the individual is supervised at all times by a staff member who has a comprehensive records check if they do not have a records check on file.

-Please ensure that staff with a national background check is always present with a staff member who has a comprehensive background check. Staff should never be by themselves.

Comment

Evidence observed of 100% of center Staff certified in First Aid and CPR containing emergency care for infants and children on this date.

Finding

591-1-1-.14(3) requires the Center to have a first aid kit in each building of the Center and in any vehicle used by the Center for transportation of children, that contains scissors, tweezers, gauze pads, adhesive tape, thermometer, band-aids, assorted sizes, antibacterial ointment, insect-sting preparation, an antiseptic cleansing solution, triangular bandages, rubber gloves, protective eye wear, a protective face mask, and a cold pack. The first aid kit, together with a first aid instruction manual which must be kept with the kit at all times, shall be stored so that it is not accessible to children but is easily accessible to Staff. It was determined based on observation that the vehicle first aid kit was missing thermometer, insect sting, antibacterial ointment and cold pack. The building first aid kit was missing insect sting.

POI (Plan of Improvement)

Center Staff will provide any missing first aid kits, add any missing items to each first aid kit and will develop and use a plan for checking the kits and replacing missing items in each kit in the future. First aid kits and instruction manuals will be stored so that they kits are not accessible to children but are easily accessible to Center Staff. The provider replaced the items during the visit.
