Reminders: Refer to the published communicable disease chart for guidance regarding communicable diseases. In most scenarios, only outbreaks/clusters should be reported to the local health districts. Please be sure you are using the most updated chart.

Please be sure to contact the Gwinnett County Department of Health, if there are any outbreaks/clusters of positive COVID-19 cases immediately and get their guidance. Please be sure to also complete a Required Report in DECAL KOALA for all individual cases of communicable diseases within 24 hours. Be sure to select "Notifiable Communicable Diseases" to report closures for COVID cases.

Be sure to enter all temporary closures by 8 a.m. (vacation, emergencies, school closures, holidays etc...) in DECAL KOALA at all times under the Required Report tab whenever your facility is closed temporarily because you are not caring for children for one day or more. Please be sure to SAVE the report prior to exiting.

All amendments are required to be electronically submitted in DECAL KOALA effective 2021.

Please be sure to hide staff who are no longer employed in your DECAL KOALA account. Please reach out for help with this, if needed.

Please ensure that the director and staff responsible for food preparation completes the four (4) hours of nutrition training as soon as possible but within the first year of employment.

Please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director. Please ensure that directors ensure that they complete the transportation training upon being hired at the center. Please ensure to contact your consultant for guidance if you have not been conducting transportation and plan on conducting transportation.

**As of January 1, 2024, there is a free Transportation Training available on OLLI in Georgia PDS (GaPDS) as ProSolutions will no longer offer the class for free. Also, you will be able to find the Health and Safety Orientation Training, which will be 15 hours, for free as well (staff must complete all 15 hours for the course to be counted).

Talk about updated orientation checklist.

Indicator manual and utilizing it. FYI: As of October 1, 2024, for larger equipment please be sure to have the amount of equipment for the amount of children enrolled (this include cribs, chairs, etc.)

Talk about updated Transportation forms including sample as of October 1, 2023, use immediately.

Discussed regarding ensuring to complete rechecks for Criminal Records checks at least 90 days before the five-year expiration. Suggestion: Check monthly or sooner to ensure that staff's criminal records checks are not about to expire.

Discussed regarding mats using tape to repair, must replace.

Don't forget to post new license beginning January 1, 2025.

One Day Letter.

Plan of Improvement: Developed This Date

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Finding

591-1-1-.09(1)(j) requires that for portability for Directors, Employees and Provisional Employees, excluding Students-in-Training, only the most recently issued determination letter is eligible for portability and must be ported electronically. A Center may accept a satisfactory Fingerprint Records Check Determination letter or a satisfactory Comprehensive Records Check Determination letter issued by the Department if the Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Center does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined based on a review of records that staff #5, hired on July 25, 2024, was observed to not be electronically ported.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Center will be sure to complete portability request for all staff prior to them being present at the center to ensure that only the most recently issued determination letter is electronically ported for Directors, Employees and Provisional Employees, excluding Students-in-Training. The program's owner or an officer/member of the corporation must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The director and/or staff responsible for staffing will review the CRC modules regarding criminal records to ensure the CRC rules are maintained.
