For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

591-1-1-.36 Transportation(CR)**Not Met**

Correction Deadline: 5/25/2023

Corrected on 6/2/2026

.36(7)(b) - It was determined based on review of transportation records each child transported had the required emergency medical information form for each child transported.

Finding

591-1-1-.36(7)(c)2. requires that the driver or other designated person shall immediately document in writing, with a check or other mark/symbol to account for each child listed on the passenger transportation checklist each time a child enters and exits the vehicle. The driver or other designated staff person shall document in writing with a different mark/symbol to account for each child listed on the passenger transportation checklist who was not present on the vehicle for any reason. An explanation shall be documented in writing whenever a child is transported to a field trip site but is not present on the return trip to the Center. It was determined based on review of the transportation logs that during the week of May 11, 2026 the center transported eight children from their schools to the center. It was determined that on Friday, May 15, 2026 eight children were transported to the center from their schools. It was observed that five of the eight children transported lacked a check or other mark to account for each time the children entered the vehicle. There was also no mark or check mark when the children exit the vehicle at the center.

POI (Plan of Improvement)

The driver/other designated person will immediately document in writing with a check/mark/symbol each time a child gets on and off the vehicle.

Correction Deadline: 6/3/2026

Finding

591-1-1-.36(7)(c)3. requires that the driver or other designated person document in writing the date and time of arrival and departure each time the vehicle departs from the Center, is loaded or unloaded at each school and when the vehicle returns to the Center; each time the vehicle departs from the Center, arrives at the location where any child is picked up or dropped off and when the vehicle returns to the Center; each time the vehicle leaves the Center, arrives at a field trip destination, leaves a field trip destination, and returns to the Center. It was determined based on review of transportation checklist that during the week of May 11, 2026, on Friday, May 15, 2026 children transported from Kipp Vision Academy lacked the departure time from the school and the time the vehicle returned to the center.

POI (Plan of Improvement)

The Center will ensure that each date and time of arrival and departure is documented by the driver or designated person with training, review and monitoring.

Correction Deadline: 6/3/2026

Finding

591-1-1-.36(7)(d)1. requires that the first check be conducted immediately upon unloading the last child at any location including, but not limited to, a field trip destination, arrival at the Center, and the last stop during transportation to home or school. The responsible person on the vehicle shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; sign the passenger transportation checklist (s), indicating all of the children have exited the vehicle; and give the passenger transportation checklist(s) to the second designated Staff person. It was determined based on review of transportation checklist that on May 14, 2026, the children transported from Kipp Vision Elementary school lacked the signature check of the first staff person indicating that the child had been transported from the school.

POI (Plan of Improvement)

The Center will train Staff who are or may be involved in transporting children in how to thoroughly inspect a vehicle and properly complete transportation documentation. The Center will review and monitor.

Correction Deadline: 6/3/2026

Finding

591-1-1-.36(7)(d)2. requires that the second designated Staff person conduct a check of the vehicle immediately upon the completion of the first check of the vehicle. The responsible person shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; and sign the passenger transportation checklist(s), indicating all of the children have exited the vehicle. There shall be continuous watchful oversight of the vehicle between the first check and second check. It was determined based on review of transportation checklist that during the week of May 11, 2026 the staff person failed to do a signature of a second check to indicate that all children transported from their schools had exit the vehicle on Friday, May 15, 2026. On Thursday, May 14, 2026 the children transported from Kipp Vision Academy to the center also lacked a staff signature on the checklist for May 14, 2026 and May 15, 2026.

POI (Plan of Improvement)
