Comments

The purpose of the visit is to conduct a Monitoring visit.

Reminders: Refer to the published communicable disease chart for guidance regarding communicable diseases. In most scenarios, only outbreaks/clusters should be reported to the local health districts.

Please be sure to contact the Gwinnett County Department of Health, if there are any outbreaks/clusters of positive COVID-19 cases immediately and get their guidance. Please be sure to also complete a Required Report in DECAL KOALA for all individual cases of communicable diseases within 24 hours. Be sure to select "Notifiable Communicable Diseases" to report closures for COVID cases.

You must be sure to enter all temporary closures by 8 a.m. (vacation, emergencies, school closures, holidays etc...) in DECAL KOALA at all times under the Required Report tab whenever your facility is closed temporarily because you are not caring for children for one day or more. Please be sure to SAVE the report prior to exiting.

Incident Reports are to be submitted via DECAL KOALA with all signed staff statements for staff and the director.

All amendments are required to be electronically entered in DECAL KOALA effective August 2, 2021.

Please be sure to hide staff who are no longer employed in your DECAL KOALA account. Please reach out for help with this, if needed.

Please ensure that director and staff responsible for food preparation completes the four (4) hours of nutrition training as soon as possible but within the first year of employment.

For centers conducting or planning on conducting transportation, please remember that the transportation training certificates must be completed prior to participating in transportation and renewed every two years for anyone checking the vehicle, chaperoning on a trip, and signing the checklist, including the director. Please ensure that directors ensure that they also complete the transportation training upon being hired at the center. Please ensure to contact your consultant for guidance if you have not been conducting transportation and plan on conducting transportation.

**Beginning January 1, 2024, there is a free Transportation Training available on OLLI in Georgia PDS (GaPDS) as ProSolutions will no longer offer the class for free. Also, you will be able to find the Health and Safety Orientation Training, which will be 18 hours, for free as well.

Provided updated orientation checklist.

Share information regarding the indicator manual and utilizing it.

Discussed regarding ensuring to complete rechecks for Criminal Records checks at least 90 days before the five-year expiration. Suggestion: Check monthly or sooner to ensure that staff's criminal records checks are not about to expire.

Discussed regarding mats no longer using tape to repair.

Plan of Improvement: Developed This Date 07/10/2024

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

Finding

591-1-1-.25(13) requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. It was determined based on observation the following classrooms had hazardous items accessible:

-Classroom A: plastic bags in child's cubby by entrance door and toilet brush in boys restroom on right side of classroom,

-Classroom B: plastic bags on a table, stapler on an art shelf and deodorant in a child's book bag all were accessible,

-Classroom C: plastic grocery bags in children's book bags, regular plastic bags that had "keep out of reach of children", bug spray and sunscreen in children's book bags and were accessible,

-Classroom D: toilet brush was accessible in the restroom

POI (Plan of Improvement)

The Center will identify all hazardous items and keep them in a locked area inaccessible to children. The Center will inform all Staff about hazardous items and the safe storage of those items. The director that stated that back packs will be moved to the hallway and will talk to the parents and teachers regarding hazards in the classroom.

Correction Deadline: 7/10/2024

591-1-1-.26 Playgrounds(CR)**Met****Comment**

Playground observed to be clean and in good repair.

Health and Hygiene**591-1-1-.10 Diapering Areas & Practices(CR)****Met****Comment**

Staff state proper knowledge of diapering procedures.

591-1-1-.17 Hygiene(CR)**Met****Comment**

Proper hand washing observed throughout the center.

591-1-1-.20 Medications(CR)**Not Met****Finding**

591-1-1-.20(4) requires the Center to keep medication in a cabinet or container that is locked or otherwise not accessible to the children and to be stored separate from cleaning chemicals, supplies or poisons. Medications requiring refrigeration shall be placed in a leak-proof container in a refrigerator that is not accessible to the children. It was determined based on observation two asthma pumps were found in a child's book bag and were accessible in Classroom B.

POI (Plan of Improvement)

The Center will train Staff on the safe and proper storage of medication and monitor to ensure that the rule is met. The director stated that back packs will no longer be in the classrooms and teachers will check the bags.

Correction Deadline: 7/10/2024

Safety**591-1-1-.11 Discipline(CR)****Met****Comment**

Age-appropriate discussion and/or redirection observed.

591-1-1-.36 Transportation(CR)**Not Met****Finding**

591-1-1-.36(4)(a) requires an annual safety check for each vehicle. The annual safety check, completed by a trained individual, should include a check of the: tires, headlights, horn, taillights, turn signals, brake lights, brakes, suspension, exhaust system, steering, windows, windshields and windshield wipers. A copy of the annual safety check will be kept in the Center or on the vehicle and should include evidence of any repairs and/or replacements that were identified as needed on the inspection report. It was determined based on a review of records that vehicle tag number PNM 1309 and PHC 2552 did not have evidence of a current annual inspection.

POI (Plan of Improvement)

The Center will obtain the annual vehicle inspection. The director will get the vehicle inspection from the dealership, and will check quarterly and that they are done on time.

Correction Deadline: 7/15/2024

Finding

591-1-1-.36(4)(b) requires that the interior of a transportation vehicle be clean, in safe repair and free of hazardous items, objects and/or other non-essential items which could cause injury. It was determined based on observation vehicle tag number PHC 2552 was observed to have trash on the floor throughout the vehicle floor and seats on the first left and second right seat back was torn and foam exposed. Film was observed on the white tape on the first left seat.

POI (Plan of Improvement)

The center will maintain that all transportation vehicles are clean, in safe repair, and free from hazards. The director will put in an order to get the seats repaired before school starts and will check and complete inspections weekly. The director will have the director check for and clean up trash daily on the bus.

Correction Deadline: 7/11/2024

Finding

591-1-1-.36(7)(b) requires that an emergency medical information record be maintained in the vehicle for each child being transported. The emergency medical information record for each child shall include a listing of the child's full name, date of birth, allergies, special medical needs and conditions, current prescribed medications that the child is required to take on a daily basis for a chronic condition, the name and telephone number of the child's doctor, the local medical facility that the Center uses in the area where the Center is located and the telephone numbers where the Parents can be reached. It was determined based on a review of records that three children being transported during the week of May 13, 2024, did not have evidence of their physician's information and two were missing their emergency contact information.

POI (Plan of Improvement)

The Center will obtain a complete emergency medical information record for each child that is transported and maintain a copy on the vehicle. The director stated that they will have the new forms that are filled out for the new school year will be double checked and the director will check periodically.

Correction Deadline: 7/11/2024

Staff Records

591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR)

Met

Comment

Criminal record checks were observed to be complete.

-Please ensure that applicants/staff are listing exact dates (including month/day/year) on 10-year work history form in order to determine any breaks in service from the childcare industry.

-Please ensure that all staff, volunteers, independent contractors, substitutes, therapists, etc...has their records check electronically ported to the center's list in KOALA before being present at the facility.

-Please ensure that records checks are redone if there is a six-month (180 calendar days) break in service from the childcare industry.

-Please also ensure that satisfactory records checks are updated before the expiration date.

-Ensure that all therapists and other independent contractors have an updated records check on file, before being present at the center or home or ensure that the individual is supervised at all times by a staff member who has a comprehensive records check if they do not have a records check on file.

-Please ensure that staff with a national background check is always present with a staff member who has a comprehensive background check. Staff should never be by themselves.

Finding

591-1-1-.14(2) requires a Staff member who is trained in CPR and first aid to be on the premises and on any field trip whenever any child is present. In addition, Staff who provide direct care to children must satisfactorily obtain certification in first aid and CPR by December 29, 2016 if employed prior to September 30, 2016 and within 90 days of their hire date if employed after September 30, 2016. It was determined based on a review of records that the following staff did not have current evidence of First Aid and CPR:

- Staff #2 hired on April 2, 2024
- Staff #4 hired on April 9, 2024
- Staff #7, a driver, hired on October 26, 2015
- Staff #13 hired on January 10, 2024
- Staff #14 hired on March 12, 2024
- Staff # 21 hired on September 8, 2023
- Staff #23 hired on January 30, 2024

POI (Plan of Improvement)

The Center will develop a schedule to ensure there is always a staff person with current first aid and CPR training present and will develop and implement a plan to ensure all staff members have satisfactorily completed first aid and CPR training by the specified date.

The director stated that there is a training on July 25, 2024 scheduled.

Correction Deadline: 7/31/2024

Recited on 7/10/2024

591-1-1-.33 Staff Training**Not Met****Finding**

591-1-1-.33(3) requires each Staff member with direct care responsibilities to complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics: prevention and control of infectious diseases (including immunizations); prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome, abusive head trauma and child maltreatment; emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); handling and storage of hazardous materials and the appropriate disposal of bio contaminants; precautions in transporting children; recognition and reporting of child abuse and neglect; and child development. It was determined based on review of records that the following staff were missing their Health and Safety Orientation Training:

- Staff #14 hired on March 12, 2024
- Staff #23 hired on January 30, 2024

POI (Plan of Improvement)

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates and will ensure that the training includes all required components as required. The director stated that she will have the employees complete within the first week of hire and will double check to make sure it is completed.

Correction Deadline: 8/9/2024

591-1-1-.31 Staff(CR)**Met**

Correction Deadline: 1/23/2024

Corrected on 7/10/2024

.31(2)(b)2. - The previous citation was observed to be corrected in that there are four lead teachers assigned to the four classrooms. Please ensure that all lead teachers has a current education credential at all times.

Staffing and Supervision

591-1-1-.32 Staff:Child Ratios and Group Size(CR)**Met****Comment**

Center observed to maintain appropriate staff:child ratios.

591-1-1-.32 Supervision(CR)**Met****Comment**

Adequate supervision observed on this date. Discussed the supervision rule which states: Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger.
