Comments

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.state.ga.us for more information. Free technical assistance is available!

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1-.08(1) requires the Center Staff to maintain a file for each child while such child is in care and for one year after that child is no longer enrolled. In order for the file to be complete, the file shall contain the following: child's name, birth date, sex, address, living arrangement, name of school if applicable; names of both Parents, home and work addresses, and home and work telephone numbers; name(s) and addresses of the person(s) to whom the child may be released including address, telephone numbers, relationship to child and to Parent(s), and other identifying information; name(s) and telephone number(s) of person(s) to contact in emergencies when the Parent cannot be reached; name and telephone number of the child's primary source of health care; and a statement regarding known allergies, physical problems, mental health disorders, mental retardation or developmental disabilities which limit the child's participation in the program. It was determined based on a review of records the Center failed to provide the requested amount of children enrollment files for an annual inspection.

POI (Plan of Improvement)

Center staff will develop a plan that includes how to obtain all required information for currently enrolled children and how to ensure this is done for future enrollees as well. The plan will also include how and where to maintain files for the required amount of time. The plan will be implemented and followed.

591-1-1-.15(2)(g) - Discussed new revision to restricted food rule which states: Foods that are associated with young children's choking incidents, such as, but not limited to, peanuts, hot dogs, raw carrots, popcorn, fish with bones, cheese cubes, grapes and any other food that is of similar shape and size of the trachea/windpipe shall not be served to the children less than four (4) years of age. Children older than four (4) years of age may be served these foods provided that the foods are cut in such a way as to minimize choking.

Please ensure the new updated infant feeding form is used. Discussed revision to the written feeding plans for children under the age of 1 years old. Age-appropriate solid foods (including cereal) shall not be given to infants or children less than one (1) year of age until recommended as developmentally appropriate by the child's primary care physician and indicated in writing by the Parent(s). As soon as the feeding plan indicates that a child is ready for solid foods, the child shall be fed from individual spoons and individual containers or dishes. A child shall not be fed directly from the original baby food container if the contents are to be fed to the child at more than one (1) meal or to more than one (1) child.

591-1-1-.14 First Aid & CPR

Not Met**Finding**

591-1-1-.14(1) requires the Center Director and, at any given time, at least fifty percent (50%) of the caregiver Staff to successfully complete a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid. The first aid training must be done by certified or licensed health care professionals or trainers and must deal with the provision of emergency care to infants and children. The Center shall maintain current evidence of the successful completion of such training which shall be available to the Department for inspection. It was determined based on a review of records that staff member #1 and staff member #6 did not have evidence of CPR and first aid training.

POI (Plan of Improvement)

The Center Director and at least 50% of the caregiver Staff will complete the needed training. The Director will send written verification to the consultant upon completion and will develop a plan to ensure that at least 50% of the caregiver Staff have completed this training at any given time and that evidence of successful completion of the training is on file available for inspection.

Finding

591-1-1-.24(1) requires the center to maintain a personnel file on the Director, all Employees, Provisional Employees, Personnel, Staff, Students-in-Training, Volunteers, Clerical, Housekeeping, Maintenance, and other Support Staff for the duration of the term of employment plus one calendar year, and it shall contain the following: identifying information to include: name, date of birth, social security number, current address and current telephone number; employment history; as applicable to the position held: evidence of education and qualifying work experience; evidence of all training required by these rules which shall include: title of training, date of training, trainer's signature, location of training and number of clock hours obtained; a statement completed by the staff member that the information provided is true and accurate; any other records required by these rules; and as applicable to the position held, evidence of required orientation including date and signature of person providing the orientation; It was determined based on review of records that two of five staff member did not have evidence of completing the required initial staff orientation including date and signature of person providing the orientation.

POI (Plan of Improvement)

The Center will secure required information for all Personnel. The Center will ensure that complete information is in the personnel file for all Directors, Employees, Provisional Employees, Personnel, Staff, Students-in-Training, Volunteers, Clerical, Housekeeping, Maintenance and other Support Staff.

Correction Deadline: 3/15/2021

591-1-1-.33 Staff Training**Not Met****Finding**

591-1-1-.33(3) requires each Staff member with direct care responsibilities to complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics: prevention and control of infectious diseases (including immunizations); prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome, abusive head trauma and child maltreatment; emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); handling and storage of hazardous materials and the appropriate disposal of bio contaminants; precautions in transporting children; recognition and reporting of child abuse and neglect; and child development. It was determined based on review of records that not all staff had evidence of completing the Health and Safety orientation as required.

POI (Plan of Improvement)

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates and will ensure that the training includes all required components as required.

Correction Deadline: 4/9/2021

Finding

591-1-1-.33(4) requires within the first year of employment, the Director and person with primary responsibility for food preparation shall have four clock hours of training in food nutrition planning, preparation, serving, proper dish washing and food storage. It was determined based on review of records that there was no evidence to show that the Director and person with primary responsibility for food preparation completed four clock hours of training in food nutrition planning, preparation, serving, proper dish washing and food storage.

POI (Plan of Improvement)

The Center will schedule food preparation training, as required, and follow up to ensure the training is completed.

Correction Deadline: 4/9/2021

Finding

91-1-1-.33(5) requires that every calendar year after the first year of employment, all supervisory and caregiver Personnel, except independent contractors, Students-in-Training and volunteers shall attend ten (10) clock hours of diverse training which is task-focused in on-going health, safety and early childhood or child development related topics and which is offered by an accredited college, university or vocational program or other Department-approved source. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training shall be maintained, as required by these rules. It was determined based on review of records that four of five staff did not have evidence of completing ten (10) clock hours of diverse training for the 2020 calendar year, as required.

POI (Plan of Improvement)

The Center will plan and schedule the required 10 hours of annual training each year and follow up to ensure the training is completed.
