Advisement of Potential for Repeated Rule Violations during Pending Investigations

This report shall serve as official notice of potential rule violations. These potential rule violations have been detailed in this report and discussed with you by the consultant. The department shall conduct a thorough investigation to determine if in fact the alleged rule violation(s) should or should not be substantiated. Please be aware that the investigation may take some time to be finalized to ensure fairness and accuracy. During this investigation period, any violations of an identical rule or rules will require the department to treat any and all substantiated rule violations identified in the investigation as repeated rule violation(s).

Further, from time to time the department discovers additional rule violations during the course of an investigation. If there are new rule violation(s), your consultant shall inform you of the violation(s) as soon as possible. However, as stated above, any violations of identical rule(s) will require the department to treat any and all additional rule violations identified in the investigation as repeated rule violations.

All rule violations found in relation to a complaint or incident investigation will be associated with the date the investigation was closed.

Please refer to the website, http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

Food Service

591-1-1-.15 Food Service & Nutrition **Met**

Finding Associated with Complaint
591-1-1-.15(2) requires that a signed written feeding plan for children less than one (1) year of age shall be obtained from Parent(s) and that instructions from the Parent(s) shall be updated regularly as new foods are added or other dietary changes are made. The feeding plan shall be posted in the child's assigned room and must include the child's feeding schedule, the amount of formula or breast milk to be given, instructions for the introduction of solid foods, the amount of food to be given and notation of any type(s) of commercially premixed formula which may not be used in an emergency because of food allergies. It was determined based on the information received during the investigation that two of the two infants present on this date lacked a written feeding plan obtained from the parents. According to staff present, the parents had given verbal instructions on when to feed their children and how much the children should be fed at each feeding.

POI (Plan of Improvement)
The Center Director will develop and implement a plan to obtain and post the completed feeding plan as part of the enrollment process and to have parents update the plans on a regular basis that will include center staff involved with enrollment and those working in the infant classrooms.

Correction Deadline: 8/14/2026

Finding Associated with Complaint
591-1-1-.15(5) requires that the Center provide a menu listing all meals and snacks to be served during the current week except for School-age Centers where the food may be provided by the Parent(s) by agreement between the School-age Center and the Parent(s). Substitutions shall be recorded on the posted menu and menus shall be retained at the Center for six (6) months. It was determined based on information received from staff that the center was unable to locate the menus for the past six months. The center located the menus for the week of July 27, 2026, and the week of August 3, 2026,. The menu for the week of August 3, 2026 was observed to be posted.

POI (Plan of Improvement)
The Center will list all of the current week's meals and snacks and all substitutions on the menu and keep past menus on file for six months and will implement a system to monitor this.

Correction Deadline: 8/14/2026
