Plan of Improvement: Developed This Date

For additional information regarding any licensing topics discussed during this visit, please consult the Rules and Regulations Indicator Manual. This manual provides comprehensive clarification of each rule, including evaluation indicators, related best practices, and relevant considerations to support your program's continued and sustained compliance.

To access the Indicator Manual, please scan the QR code below or visit our website at <https://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.al.ga.gov for more information. Free technical assistance is available!

Finding

591-1-1-.25(13) requires that potentially hazardous equipment, materials and supplies be stored in a locked area inaccessible to children. It was determined based on observation in Room A: Infant (bk rt) there was a Staff bag on the table next to the rocking chair that was accessible to children. Additionally, in Room D: 3's and 4's (front right) there was one plastic bag stored on a hook accessible to children on the wall on the left, one bag of baby wipes stored inside a yellow plastic bag labeled "Keep Out of Reach of Children" was stored on a hook accessible to children and was located on the wall on the left, one container of Clorox wipes labeled "Keep Out of Reach of Children" located on the shelf on the left wall under the television, and one plastic bag of trash located on the shelf on the left wall under the television.

POI (Plan of Improvement)

The Center will identify all hazardous items and keep them in a locked area inaccessible to children. The Center will inform all Staff about hazardous items and the safe storage of those items.

Correction Deadline: 7/28/2026

591-1-1-.26 Playgrounds(CR)

Not Met

Comment

Discussed maintenance of resilient surface. Please fluff and redistribute.

Finding

591-1-1-.26(6) requires that playground equipment provide an opportunity for the children to engage in a variety of experiences and shall be age-appropriate. For example, toddlers shall not be permitted to swing in swings designed for School-age Children. The outdoor equipment shall be free of lead-based paint, sharp corners and shall be regularly maintained in such a way as to be free of rust and splinters that could pose significant safety hazard to the children. All equipment shall be arranged so as not to obstruct supervision of children. It was determined based on observation the following hazards existed in that:

- There was a play kitchen located to the left of the door on the main deck was broken with splintering wood.
- There was a plastic climbing equipment on the back deck that was broken with cracks in the plastic which posed a potential pinching hazard.

POI (Plan of Improvement)

The Center will provide a variety of age-appropriate equipment that is arranged so as not to obstruct supervision of children. Staff will check the equipment daily to ensure that the equipment is free of hazards, rust and splinters.

Correction Deadline: 8/7/2026

Finding

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation a mop and bucket that was located on the back deck that was accessible to children.

POI (Plan of Improvement)

The Center will remove any litter and fix or remove hazards from the playground and will routinely monitor the playground and remove litter and hazards.

Correction Deadline: 7/28/2026
