Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1.19(2) allows a Center to designate two specific one hour periods each day when only 25 square feet of space per child is provided for children three years of age and older in their assigned rooms or areas. This provision is intended to account for increased attendance for before-school and after-school care. It was determined based on observation that children were present in an unlicensed area (classroom 117), when the children were required to be housed in a license area of the building.

POI (Plan of Improvement)

The Center will limit the children to three years and older and will limit the time to the designated two hours in the approved rooms. The Center will submit a new request for approval before changing the approved hours or rooms.
