Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.state.ga.us for more information. Free technical assistance is available!

The following information is associated with a Monitoring Visit:

Activities and Equipment

290-2-3-.12 Equipment and Supplies(CR)

Met

Comment

A variety of equipment and toys were observed.

290-2-3-.19 Infant-Sleeping Safety Requirements(CR)

Not Met

Finding

290-2-3-.19(2) requires that a Family Child Care Learning Home shall provide a safe sleep environment in accordance with American Academy of Pediatrics (AAP), Consumer Product Safety Commission (CPSC) and American Society for Testing and Materials (ASTM) recommendations as listed in these rules for all infants and one-year-old children when placed for sleep in a safety approved crib or in any other type of equipment approved for infant sleep. Staff shall place an infant to sleep on the infant's back unless the Parent has provided a physician's written statement authorizing another sleep position for that particular infant that includes how the infant shall be placed to sleep and a time frame that the instructions are to be followed. When an infant can easily turn over from back to front and back again, Staff shall continue to put the infant to sleep initially on the infant's back, but allow the infant to roll over into his or her preferred positions and not re-position the infant. Sleepers, sleep sacks and wearable blankets that fit according to the commercial manufacturer's guidelines and will not slide up around the infant's face may be used when necessary for the comfort of the sleeping infant, however swaddling shall not be used unless the Home has been provided a physician's written statement authorizing its use for a particular infant that includes instructions and a time frame for swaddling the infant. Staff shall not place objects or allow objects to be placed in or on the crib with an infant such as but not limited to toys, pillows, quilts, comforters, bumper pads, sheepskins, stuffed toys, or other soft items and shall not attach objects or allow objects to be attached to a crib with a sleeping infant such as but not limited to crib gyms, toys, mirrors and mobiles. It was determined based on observation that a blanket was placed in the crib with a sleeping infant.

POI (Plan of Improvement)

The Provider removed the equipment from the crib during the visit. The Home Provider will ensure that safe sleep requirements for infants are followed as required.

Correction Deadline: 3/25/2023

Corrected on 9/26/2023

.11(2)(a) - This citation was observed to be corrected on this date.

Finding

290-2-3-.11(2)(f) requires that poisons, medicines, cleaning agents and other hazardous materials be in locked areas or inaccessible to children. It was determined based on observation that the following hazards were present and accessible to the children in care:

In the bathroom- sanitizing spray was located under the bathroom sink in an unlocked cabinet, wipes were on the back of the toilet, 2 cans of disinfectant spray were located on the shelf to the right of the bathroom door, a toilet plunger and scrub brush were in the back left corner.

In the main hallway of the home, a can of Lysol wipes and a can of Lysol spray were sitting on a table.

POI (Plan of Improvement)

To ensure the safe storage of hazardous items, the Home Provider will make these items inaccessible to the children.

Correction Deadline: 9/26/2023

290-2-3-.13 Physical Plant-Structural/Mechanical(CR)

Met

Comment

The Home appears clean and free from hazards.

290-2-3-.13 Playgrounds(CR)

Not Met

Finding

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that the play area was not fully enclosed due to a missing gate on the south side of the play ground.

POI (Plan of Improvement)

The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced. The Home will install or repair a fence around swimming pools that makes them inaccessible to children.

Correction Deadline: 9/26/2023

Food Service

Technical Assistance

290-2-3-.10(15) - requires that containers of food be stored above the floor on clean surfaces protected from splash and other contamination. Containers for food storage other than the original container or package in which the food was obtained, shall be impervious and non-absorbent, have tight-fitting lids or covers and labeled as to contents. The consultant and the director discussed proper labeling of food and contents.

Correction Deadline: 9/26/2023

Health and Hygiene**290-2-3-.11 Children's Health and Hygiene(CR)****Not Met****Finding**

290-2-3-.11(1)(i) requires that personnel shall wash their hands with liquid soap and warm running water: immediately before and after each diaper change; immediately upon the first Child's arrival in the Home for care and upon re-entering the Home after outside play; before and after dispensing oral medications and applying topical medications, ointments, creams or lotions, handling and preparing food, eating, drinking, preparing bottles, feeding or assisting children with eating and drinking; after toileting or helping children with toileting, using tobacco products, handling garbage and organic waste, touching animals or pets, handling bodily fluids such as, but not limited to, mucus, saliva, vomit or blood, and after contamination by any other means. It was determined based on observation that staff did not wash hands between diapering children.

POI (Plan of Improvement)

To ensure proper hygiene, all Staff shall wash their hands with liquid soap and warm running water as required.

Correction Deadline: 9/26/2023

Finding

290-2-3-.11(1)(m) requires that Home personnel keep children clean, dry and comfortable. It was determined based on observation an infant was allowed to cry in his crib while staff sat nearby without response. The infant was allowed to cry for longer than 5 minutes while staff was seated nearby on her phone.

POI (Plan of Improvement)

To ensure response to children's needs, Staff shall keep children clean, dry, and comfortable while in care in the Family Child Care Learning Home.

Correction Deadline: 9/26/2023

290-2-3-.11 Diapering Areas & Practices(CR)**Not Met****Finding**

290-2-3-.11(1)(f) requires diapers to be changed in the Child's own crib or on a nonporous surface which is cleaned with a disinfectant and dried with a single use disposable towel after each diaper change. It was determined based on observation that staff changed diapers of two children and did not disinfect the changing area after each change.

POI (Plan of Improvement)

To ensure the control of disease transmission, the Home Provider will change diapers in the child's crib or a nonporous surface. The diapering surface will be cleaned and disinfected between use with a single use disposable towel.

Correction Deadline: 9/26/2023

290-2-3-.11 Medications(CR)**Not Met****Finding**

290-2-3-.11(1)(d) prohibits Personnel from dispensing prescription or nonprescription medications to a Child without specific written authorization from the Child's physician or Parent. All medications shall be stored as authorized by Georgia law or in accordance with the prescription or label instructions and kept in places that are inaccessible to children. Each dose of medication given to a Child shall be documented showing the Child's name, name of medication, date and time given, and the name of the person giving the medication. It was determined based on observation that an infant was given Tylenol, oral pain relief, and gripe water from May to July without specific authorization from the parent or the physician.

POI (Plan of Improvement)

The Home will obtain written authorization before giving medicine to a Child; will document each time medicine is administered to a child; will store medicine as required in an area that is locked or not accessible to children; and will store medicine that must be refrigerated in a leak-proof container that is inaccessible to children.

Correction Deadline: 9/26/2023

Staff Records

290-2-3-.21 Criminal Records and Comprehensive Background Checks(CR)**Met****Comment**

Consultant requested to view all Criminal Record checks for employees hired after last visit. Provider stated that there have been no new hires since last visit

Finding

290-2-3-.07(8) requires the Home to maintain for the Provider and any Provisional Employee or Employee with direct care responsibilities current evidence of successful completion of a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid which have been offered by certified or licensed health care professionals or trainers and which dealt with emergency care for infants and children. Such training must be completed prior to initial licensure for the Provider and within 90 days from date of hire for Provisional Employees and Employees. The Provider, a Provisional Employee or Employee with current CPR and first aid training must always be on the Home's premises and on any field trip whenever any Child is present. It was determined based on a review of records that no records of current CPR and first aid training were available for the Provider or her helper.

POI (Plan of Improvement)

The Home will obtain the required CPR and first aid training and will keep certificates, cards, or other proof of training on file. The Home will submit proof of training to the Department, if requested. The Home will ensure that there is always a Staff person on the Home's premises and on any field trip whenever any Child is present.
