Finding Associated with Complaint

591-1-1-.08(2) requires Center Staff to maintain a file for each child that includes evidence of age-appropriate immunizations or a signed affidavit against such immunizations for each child enrolled in the center on a form approved by the Department, and to allow no child to continue enrollment in the Center for more than thirty (30) days without such evidence. It was determined based on staff statement and from the Department of Health report that the center did not obtain 100% during their audit immunization records for children enrolled.

POI (Plan of Improvement)

Center staff will have and use a plan to track immunization forms for all enrolled children and to ensure the form or affidavit are obtained from the parent or guardian within 30 days of enrollment. Parents will be informed their child cannot remain enrolled in the center without this documentation.
