Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

	<b>Safety</b>

**591-1-1-.11 Discipline(CR)**

#### Finding Associated with Complaint

591-1-1-.11(2) requires that Personnel not: physically or sexually abuse a child or engage or permit others to engage in sexually overt conduct in the presence of any child enrolled in the Center; inflict corporal/physical punishment upon a child; shake, jerk, pinch or handle a child roughly; verbally abuse or humiliate a child which includes, but is not limited to, the use of threats, profanity or belittling remarks about a child or his family; isolate a child in a dark room, closet or unsupervised area; use mechanical or physical restraints or devices to discipline children; use medication to discipline or control children's behavior without written medical authorization issued by a licensed professional and given with the parent's written consent; restrict unreasonably a child from going to the bathroom; punish toileting accidents; force-feed a child or withhold feeding a child regularly scheduled meals and/or snacks; force or withhold naps; allow children to discipline or humiliate other children; or confine a child for disciplinary purposes to a swing, highchair, infant carrier, walker or jump seat. It was determined based on a staff interviews and statements that the allegation reported on November 1, 2022, that a two-year-old child was inappropriately disciplined during circle time, when a staff member intentionally grabbed them by their leg and pulled them down off the dramatic play couch to the rug is substantiated. There is a preponderance of evidence to support this allegation to be true. Based on staff interviews, a staff assigned to the classroom was using a loud tone and was frustrated on the day of the incident.

#### POI (Plan of Improvement)

The Center will take immediate action to ensure the action/conduct has ceased; train/review appropriate child guidance techniques with center staff; and have a system in place to monitor and identify inappropriate actions.
