Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

It was determined based on investigative findings which included staff statements, interviews and a review of video footage that there was sufficient evidence to support the allegation that around 5:00 p.m. on August 25, 2021, a teacher in the toddler classroom was observed to run and hit a child on the leg with a wooden tray. There was no report of marks or bruises and there was no report that medical attention was sought for the child.

POI (Plan of Improvement)

Center staff will cease use of this disciplinary method; the director will provide staff training on appropriate child guidance techniques and have a system in place to monitor and identify/prevent inappropriate actions.
