Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. **Safety**

#### 591-1-1-.36 Transportation(CR)

**Not Met**

##### Finding

591-1-1-.36(7)(c)2. requires that the driver or other designated person shall immediately document in writing, with a check or other mark/symbol to account for each child listed on the passenger transportation checklist each time a child enters and exits the vehicle. The driver or other designated staff person shall document in writing with a different mark/symbol to account for each child listed on the passenger transportation checklist who was not present on the vehicle for any reason. An explanation shall be documented in writing whenever a child is transported to a field trip site but is not present on the return trip to the Center. It was determined based on a review of documentation that during the week of September 13 - 17, 2021 there were no load/unload marks for the children that had been transported.

##### POI (Plan of Improvement)

The driver/other designated person will immediately document in writing with a check/mark/symbol each time a child gets on and off the vehicle.

**Correction Deadline: 10/5/2021**

##### Finding

591-1-1-.36(7)(d)2. requires that the second designated Staff person conduct a check of the vehicle immediately upon the completion of the first check of the vehicle. The responsible person shall physically walk through the entire vehicle; visually inspect all seat surfaces, under all seats and in all compartments or recesses in the vehicle's interior; and sign the passenger transportation checklist(s), indicating all of the children have exited the vehicle. There shall be continuous watchful oversight of the vehicle between the first check and second check. It was determined based on a review of documentation that on the week of September 20 - 24, 2021 the second designated Staff person had not signed the form indicating that a second check of the vehicle had been conducted immediately upon the completion of the first check of the vehicle.

##### POI (Plan of Improvement)

The Center will train Staff who are or may be involved in transporting children in how to thoroughly inspect a vehicle and properly complete transportation documentation. The Center will review and monitor.
