- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. **591-1-1-.14 First Aid & CPR**

**Not Met**

**Finding**

591-1-1-.14(2) requires a Staff member who is trained in CPR and first aid to be on the premises and on any field trip whenever any child is present. In addition, Staff who provide direct care to children must satisfactorily obtain certification in first aid and CPR by December 29, 2016 if employed prior to September 30, 2016 and within 90 days of their hire date if employed after September 30, 2016. It was determined through a review of records one staff member hired June 13, 2022 did not complete CPR and first aid training within the first 90 days of hire.

**POI (Plan of Improvement)**

The Center will develop a schedule to ensure there is always a staff person with current first aid and CPR training present and will develop and implement a plan to ensure all staff members have satisfactorily completed first aid and CPR training by the specified date.

**Correction Deadline: 1/6/2023**

**591-1-1-.33 Staff Training**

**Not Met**

**Finding**

591-1-1-.33(3) requires each Staff member with direct care responsibilities to complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics: prevention and control of infectious diseases (including immunizations); prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome, abusive head trauma and child maltreatment; emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); handling and storage of hazardous materials and the appropriate disposal of bio contaminants; precautions in transporting children; recognition and reporting of child abuse and neglect; and child development. It was determined based on a review of records one staff member hired June 13, 2022 did not complete Health and Safety training within the first 90 days of hire.

**POI (Plan of Improvement)**

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates and will ensure that the training includes all required components as required.

**Correction Deadline: 1/6/2023**

**Defer**

591-1-1-.33(5)-Citation will be observed during Licensing Study.

**POI (Plan of Improvement)**

**Staffing and Supervision**

**591-1-1-.32 Staff:Child Ratios and Group Size(CR)**

**Not Met**

**Finding**

591-1-1-.32(1) requires the Center to maintain the required Staff:child ratios as follows: under 1 year or under 18 months if not walking = 1:6; 1 year and walking = 1:8; 2 years = 1:10; 3 years = 1:15; 4 years = 1:18; 5 years = 1:20;and 6 years and older = 1:25. A Center must establish groupings of children for care with maximum group sizes as follows: under 1 year = 12; under 18 months/not walking = 12; 1 year and walking = 16; 2 years = 20; 3 years = 30; 4 years = 36; 5 years = 40; and 6 years and older = 50. It was determined based on observation classroom B was observed to have one staff member two one-year-old, four two-year-olds, and four three-year-olds present.

**POI (Plan of Improvement)**

The Center will hire additional Staff or reschedule current Staff to meet required Staff:child ratios and will organize children into groups that meet requirements.
