Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1-.14(2) requires a Staff member who is trained in CPR and first aid to be on the premises and on any field trip whenever any child is present. In addition, Staff who provide direct care to children must satisfactorily obtain certification in first aid and CPR by December 29, 2016 if employed prior to September 30, 2016 and within 90 days of their hire date if employed after September 30, 2016. It was determined based on a review of records that staff members #4, #5, #6, #7, #8, and #11 completed online CPR training which does not meet the rule requirement.

POI (Plan of Improvement)

The Center will develop a schedule to ensure there is always a staff person with current first aid and CPR training present and will develop and implement a plan to ensure all staff members have satisfactorily completed first aid and CPR training by the specified date.
