**Advisement of Potential for Repeated Rule Violations during Pending Investigations**

This report shall serve as official notice of potential rule violations. These potential rule violations have been detailed in this report and discussed with you by the consultant. The department shall conduct a thorough investigation to determine if in fact the alleged rule violation(s) should or should not be substantiated. Please be aware that the investigation may take some time to be finalized to ensure fairness and accuracy. During this investigation period, any violations of an identical rule or rules will require the department to treat any and all substantiated rule violations identified in the investigation as repeated rule violation(s).

Further, from time to time the department discovers additional rule violations during the course of an investigation. If there are new rule violation(s), your consultant shall inform you of the violation(s) as soon as possible. However, as stated above, any violations of identical rule(s) will require the department to treat any and all additional rule violations identified in the investigation as repeated rule violations.

All rule violations found in relation to a complaint or incident investigation will be associated with the date the investigation was closed.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

**Food Service**

**591-1-1-.15 Food Service & Nutrition**

**Not Met**

**Finding Associated with Complaint**

591-1-1-.15(1) requires that meals and snacks are served, with serving sizes dependent upon the age of the child, that meet nutritional guidelines as established by the United States Department of Agriculture Child and Adult Care Food Program. Meals and snacks shall be varied daily, and additional servings of nutritious food shall be offered to children over and above the required daily minimum, if not contraindicated by special diets. It was determined based on investigative findings the center failed to serve enrolled children breakfast items that met USDA Guidelines. During the month of February the AM breakfast snack and the PM snack menu did not contain two components as required.

**POI (Plan of Improvement)**

Center Staff will prepare menus and/or serve foods that meet the USDA guidelines and will offer and serve seconds to children.

**Correction Deadline: 3/15/2023**

**Finding Associated with Complaint**

591-1-1-.15(5) requires that the Center provide a menu listing all meals and snacks to be served during the current week except for School-age Centers where the food may be provided by the Parent(s) by agreement between the School-age Center and the Parent(s). Substitutions shall be recorded on the posted menu and menus shall be retained at the Center for six (6) months. It was determined based on investigative findings the program did not have a posted menu listing all meals and snacks. The current menu only lists AM breakfast snack and lunch.

**POI (Plan of Improvement)**

The Center will list all of the current week's meals and morning and afternoon snacks and all substitutions on the menu and keep past menus on file for six months and will implement a system to monitor this.

**Correction Deadline: 3/15/2023**
