The purpose of today's visit was to conduct a licensing study.

Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Important New Deadlines:

Due to the ongoing COVID restrictions, the deadline to become Quality Rated for programs who want to continue to receive Childcare and Parent Services (CAPS), has been extended to at least December 31, 2021.

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), e-mail the following information to CCSRefutations@decal.ga.gov.

- 1) Facility name, license number and visit date
- 2) Your name, title/relationship to the facility, e-mail address & up to two phone number(s) where you can be reached
- 3) Specific rule number(s) that you are refuting, along with your concerns or questions regarding the rule citation

Refutations must be submitted to Child Care Services (CCS) within 10 business days of the completion date.

A sample form for submitting a refutation can be found at: <http://decal.ga.gov/ChildCareServices/RefutationInformation.aspx>

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Facility

290-2-3-.11 Physical Plant - Safe Environment(CR)**Not Met****Finding**

290-2-3-.11(2)(f) requires that poisons, medicines, cleaning agents and other hazardous materials be in locked areas or inaccessible to children. It was determined based on observation that the following potentially hazardous equipment, materials or supplies were accessible to the home:

- scissors and razors were located in a drawer under the sink in the bathroom.
- push pins/thumb tacks were observed the lower half of the wall at children's level.

POI (Plan of Improvement)

To ensure the safe storage of hazardous items, the Home Provider will make these items inaccessible to the children.

Correction Deadline: 2/8/2022

290-2-3-.13 Physical Plant-Structural/Mechanical(CR)**Met****Comment**

The Home appears clean and well maintained.

290-2-3-.13 Playgrounds(CR)**Not Met****Finding**

290-2-3-.13(2)(a) requires that outdoor play areas be kept clean and free of hazards such as exposed sharp corners of concrete or equipment, rust and splinters on equipment, broken glass, open drainage ditches, holes and stagnant water. It was determined based on observation that the outdoor play area had the following hazards:

- lawn equipment accessible to children.
- tripping hazards around the concrete pad and stepping stones.
- standing water was observed inside playground equipment.
- railroad tie barrier around playground equipment had exposed nails and rotting wood.
- wood around house was rotting and spilt wood that may cause splinters.
- concrete pad was worn and had sharp/rough edges.
- play equipment was not kept clean.

POI (Plan of Improvement)

The Home will repair any and all identified outdoor hazards and will monitor playground daily or more often as needed to ensure that the Home's outdoor play area is kept clean and free of hazards.

Correction Deadline: 2/18/2022

Finding

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that the wooden fence on the right side of the outside play area was leaning inward toward the outside play area.

POI (Plan of Improvement)

The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced. The Home will install or repair a fence around swimming pools that makes them inaccessible to children.

Correction Deadline: 2/15/2022

Food Service

290-2-3-.10 Food Service & Nutrition

Technical Assistance

Technical Assistance

290-2-3-.10(1) - The consultant discussed the revision as of October 1, 2020, which states: Foods that are associated with young children's choking incidents, such as, but not limited to, peanuts, hot dogs, raw carrots, popcorn, fish with bones, cheese cubes, grapes and any other food that is of similar shape and size of the trachea/windpipe shall not be served to the children less than four (4) years of age. Children older than four (4) years of age may be served these foods provided that the foods are cut in such a way as to minimize choking.

Health and Hygiene

290-2-3-.11 Children's Health and Hygiene(CR)

Met

Comment

Proper hand washing observed throughout the Home.

290-2-3-.11 Diapering Areas & Practices(CR)

Met

Comment

Staff state proper knowledge of diapering procedures.

290-2-3-.11 Medications(CR)

Not Met

Finding

290-2-3-.11(1)(d) prohibits Personnel from dispensing prescription or nonprescription medications to a Child without specific written authorization from the Child's physician or Parent. All medications shall be stored as authorized by Georgia law or in accordance with the prescription or label instructions and kept in places that are inaccessible to children. Each dose of medication given to a Child shall be documented showing the Child's name, name of medication, date and time given, and the name of the person giving the medication. It was determined based on observation that two EpiPen's were kept in a child's back pack that was potentially accessible to children.

POI (Plan of Improvement)

The Home will obtain written authorization before giving medicine to a Child; will document each time medicine is administered to a child; will store medicine as required in an area that is locked or not accessible to children; and will store medicine that must be refrigerated in a leak-proof container that is inaccessible to children.
