The purpose of this visit was to conduct a licensing study and follow up on previous citations.

Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Important Quality Rated/CAPS Update:

As January 1, 2022, child care providers must be Quality Rated to receive Childcare and Parent Services (CAPS). Newly licensed, or new to CAPS providers may be eligible for the new CAPS/QR Provisional Status, allowing for scholarships while working toward a star rating.

Contact the Quality Rated help desk at 855-800-7747 or qualityrated@dec.state.ga.us for more information. Free technical assistance is available!

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), do the following:

- 1) Log into DECAL KOALA www.decalkoala.com with the userid for your program
- 2) On the home page scroll down to the Inspection Reports and select 'Refute Citation' for the visit report in dispute
- 3) Select the specific rule number(s) that you are refuting, add the reason for disagreement regarding the rule citation, and upload supporting documentation
- 4) Submit the refutation in DECAL KOALA to Child Care Services (CCS) within 10 business days of the completion date.

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

290-2-3-.19(1)(a) requires that the Home shall provide either a safety approved crib or other equipment that is approved for infant sleep for each infant (any child under the age of twelve (12) months or any child who is under eighteen (18) months of age who is not walking), who cannot climb out of the crib or other approved equipment. Each crib shall be safety approved in compliance with Consumer Product Safety Commission (CPSC) and American Society of Testing and Materials International (ASTM) safety standards; any other equipment, such as, but not limited to, a portable crib, playpen, play yard or bassinet, shall be in compliance with current ASTM Standard Consumer Safety Specifications for Non-Full-Size Baby Cribs/Play Yards. It was determined It was determined that based on observation that an infant was asleep in a crib that was not in compliance with CPSC and ASTM standards for infant sleep for each infant in care.

POI (Plan of Improvement)

The Home Provider will remove any noncompliant cribs and provide a safety approved crib or other equipment that is approved and in compliance with the CPSC and ASTM standards for infant sleep for each infant in care.

Correction Deadline: 8/15/2022

Finding

290-2-3-.19(2) requires that a Family Child Care Learning Home shall provide a safe sleep environment in accordance with American Academy of Pediatrics (AAP), Consumer Product Safety Commission (CPSC) and American Society for Testing and Materials (ASTM) recommendations as listed in these rules for all infants and one-year-old children when placed for sleep in a safety approved crib or in any other type of equipment approved for infant sleep. Staff shall place an infant to sleep on the infant's back unless the Parent has provided a physician's written statement authorizing another sleep position for that particular infant that includes how the infant shall be placed to sleep and a time frame that the instructions are to be followed. When an infant can easily turn over from back to front and back again, Staff shall continue to put the infant to sleep initially on the infant's back, but allow the infant to roll over into his or her preferred positions and not re-position the infant. Sleepers, sleep sacks and wearable blankets that fit according to the commercial manufacturer's guidelines and will not slide up around the infant's face may be used when necessary for the comfort of the sleeping infant, however swaddling shall not be used unless the Home has been provided a physician's written statement authorizing its use for a particular infant that includes instructions and a time frame for swaddling the infant. Staff shall not place objects or allow objects to be placed in or on the crib with an infant such as but not limited to toys, pillows, quilts, comforters, bumper pads, sheepskins, stuffed toys, or other soft items and shall not attach objects or allow objects to be attached to a crib with a sleeping infant such as but not limited to crib gyms, toys, mirrors and mobiles. It was determined that based on observation that an infant was asleep in a crib covered with a blanket.

POI (Plan of Improvement)

The Home Provider will ensure that safe sleep requirements for infants are followed as required.

Correction Deadline: 8/15/2022
