

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Staff Records

290-2-3-.21 Criminal Records and Comprehensive Background Checks(CR) **Not Met**

Comment

Provider provided one file for employees hired since last visit.

Finding

290-2-3-.21(1)(c) requires every Employee to have a current and valid satisfactory Comprehensive Records Check Determination on file prior to being present at the Home while any child is present for care or before residing in the Home if age 17 or older. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on the Consultant's review of records that staff member #1 did not have a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Home while any child is present for care on this date.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Home will review staff files to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Home while any child is present for care or before an individual age 17 or older resides in the Home. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. The provider must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Home will watch videos to ensure the CRC rules are maintained.
