### Food Service

---

**591-1-1-.15 Food Service & Nutrition****N/A****Comment**

Consultant discussed revision to the written feeding plans for children under the age of 1 years old. Age-appropriate solid foods (including cereal) shall not be given to infants or children less than one (1) year of age until recommended as developmentally appropriate by the child's primary care physician and indicated in writing by the Parent(s). As soon as the feeding plan indicates that a child is ready for solid foods, the child shall be fed from individual spoons and individual containers or dishes. A child shall not be fed directly from the original baby food container if the contents are to be fed to the child at more than one (1) meal or to more than one (1) child.

**Comment**

Consultant discussed new revision to restricted food rule which states: Foods that are associated with young children's choking incidents, such as, but not limited to, peanuts, hot dogs, raw carrots, popcorn, fish with bones, cheese cubes, grapes and any other food that is of similar shape and size of the trachea/windpipe shall not be served to the children less than four (4) years of age. Children older than four (4) years of age may be served these foods provided that the foods are cut in such a way as to minimize choking.
