Comments

The purpose of this visit was to conduct a Licensing Study. At this time, the Provider does not have any children enrolled for care in the home. Consultant discussed with Provider about entering a Required Report for a temporary closure.

There was no documentation for the consultant to review.

Provider had to return to work, so consultant completed the visit report with the Provider and emailed the report for Provider's signature.

Plan of Improvement: Developed This Date 11/08/2022

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee
