An in-person walk through of the facility was conducted on April 20, 2022. A letter requesting documents be uploaded by April 27, 2022, for the annual review was left with the director after the walk through. The center does provide transportation. Background checks for all staff were reviewed during the walk through visit. The annual review was completed on May 2, 2022, and a copy of the report was emailed to the provider on this day.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. <b>591-1-1-.32 Staff:Child Ratios and Group Size(CR)</b>	<b>Met</b>

**Comment**

Center observed to maintain appropriate staff:child ratios.

**Finding**

591-1-1-.32(1) requires the Center to maintain the required Staff:child ratios as follows: under 1 year or under 18 months if not walking = 1:6; 1 year and walking = 1:8; 2 years = 1:10; 3 years = 1:15; 4 years = 1:18; 5 years = 1:20; and 6 years and older = 1:25. A Center must establish groupings of children for care with maximum group sizes as follows: under 1 year = 12; under 18 months/not walking = 12; 1 year and walking = 16; 2 years = 20; 3 years = 30; 4 years = 36; 5 years = 40; and 6 years and older = 50. It was determined based on observation that one staff was supervising 45 children in the cafeteria while the other staff member left to wash their hands for a ratio of 1:45 and not 1:25 as required.

**POI (Plan of Improvement)**

The Center will hire additional Staff or reschedule current Staff to meet required Staff:child ratios and will organize children into groups that meet requirements.

**591-1-1-.32 Supervision(CR)****Not Met****Finding**

591-1-1-.32(7) requires that children be supervised at all times appropriate to the individual age, needs and capabilities of each child. Such supervision must include, but not be limited to, indoor and outdoor activities, mealtimes, naptime, transportation, field trips, and transitions between activities. "Supervision" means that the appropriate number of Staff members are physically present in the area where children are being cared for and are providing watchful oversight to the children, volunteers and Students-in-Training. The persons supervising in the child care area must be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the volunteers and Students-in-Training, and provide timely attention to the children's actions and needs. Staff shall be attentive and participating with all children during mealtimes and shall be seated within an arm's length away from children thirty-six (36) months of age and younger. It was determined based on observation that the appropriate number of staff members were not physically present in the cafeteria when one staff left to supervise children's handwashing leaving only one staff to supervise 37 children and again when one staff left to wash their hands to serve snack leaving one staff member to supervise 45 children. Additionally, while staff were signing children out at the back door of the cafeteria they were unable to be alert, positioned to maximize their ability to hear and see the children at all times, and able to respond promptly to the needs and actions of the children being supervised as required.

**POI (Plan of Improvement)**

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.
