Supervision	Not In Compliance
5 - Children Supervised 922 KAR 2:120. Section 2. Child Care Services. (3)(a) Each center shall maintain a child-care program that assures each child will be: 1. Provided with adequate supervision at all times by a qualified staff person who: a. Ensures the child is within scope of vision and range of voice; or b. For a school-age child, within scope of vision or range of voice;	Not In Compliance
Findings: General: Based on Interview and review of documentation, it was determined that a two-year-old child was left unsupervised on the facility's playground for an undetermined amount of time. In addition, it was found that the child was signed in at the facility at 9:30 a.m. by the van driver on 3/27/17 but no one remembers seeing the child until he was found on the playground around 11:10 a.m. The Director stated that the staff person/van driver that signed the child in told her that he thought he took the child to his assigned classroom. The Director indicated that the staff person/van driver then said, "Maybe he followed me and his brother to (Threes & Fours) room." No one in the facility could indicate where the child was from 9:30 a.m. until he was found on the playground around 11:10 a.m. The Threes & Fours classroom is scheduled to be on the playground from 10:30a.m. to 11:00 a.m. on a daily basis.
