922 KAR 2:400E. Emergency Regulation. Due to the current declared public health emergency caused by the Novel Coronavirus Disease (COVID-19), licensed child care centers must operate under Centers for Disease Control and Prevention and public health guidelines, as mandated by 922 KAR 2:400E, to prevent the spread of COVID-19.		
Findings: General: Based on interview and review of documentation, the child care center failed to comply with emergency regulations. Based on interview, a child sustained a cut to the forehead when pushed into a wooden shelf while playing with a ball of play doh used by multiple children. A review of documentation revealed children were playing with an item which was unable to be cleaned and sanitized per 922 KAR 2:400E.
